DETAILS:

I GENERAL ACTIVITIES OF THE NATIONAL RENAISSANCE PARTY (NRP)

T-1 indicated on June 27, 1958, that JAMES MADOLE continues to maintain headquarters of the NRP at his apartment, 10 West 90th Street, New York City.

He said that MADOLE has indicated recently that he is spending all of his time preparing literature of the NRP as well as writing the new NRP bulletin.

MADOLE said the new bulletin would deal with General DE GAULLE, his friendship with the Jews of Israel and his close association with international Jewish bankers.

MADOLE indicated he received his data on DE GAULLE from the Arabs.

MADOLE stated his current bulletin had been well received and that all the letters that he received concerning it, except one, had been high in praise of its contents.

NY 106-6112

MADOLE indicated he had received \$72.00 in donations as a result of the last bulletin.

T-1 added that MADOLE had a great deal of Arab literature on hand in his apartment, which appears to have come predominantly from the United Arab Republic Office, 900 Park Avenue, New York City.

This source stated that MADOLE continues to be in complete control of the NRP and has indicated that he has no plans for future public meetings of the Party.

This source stated there have been no public meetings within recent months and that MADOLE apparently has decided that it is more profitable for him personally to cooperate with Arab countries and distribute their literature than to conduct public street meetings of his own and solicit contributions.

T-1 indicated on April 21, 1958, that the NRP is an anti-Semitic, anti-Negro, neo-Fascist organization with activities generally confined to the New York City area.

It was founded in 1948 by JAMES H. MADOLE, who is in complete control of the Party.

The Party's main function is distribution of the "National Renaissance Bulletin" on a monthly basis and distribution of pro-Arab literature obtained from official Arab establishments in New York City.

NY 105-6112

T-1 indicated on April 18, 1958, that ABDUL MOUGOUD HASSAN, Attache, Information Officer, United Arab Republic Delegation to the United Nations (UN), appeared on the television program "Nightbeat" and was interviewed by JOHN WINGATE.

During the program WINGATE asked HASSAN whether he had addressed a meeting of the NRP and WINGATE showed a picture of HASSAN on a platform with JAMES MADOLE of the NRP.

HASSAN agreed that he had addressed a meeting of the NRP, but evaded questions as to whether he agreed with the platform of the NRP.

HASSAN advised WINGATE that he was ready to furnish information concerning Egypt to anyone.

This source advised that on April 4, 1958.

[redacted] advised that he thought HASSAN had handled himself very well on the television program "Nightbeat" but that the JAMES MADOLE incident had sinkened HASSAN and had sent him home to bed.

[redacted] HASSAN was very embarrassed after being shown his picture addressing an affair of the NRP and at the present time will have nothing to do with the NRP or JAMES MADOLE.

b6
b7C

According to this source, [redacted]

[redacted] had indicated that most Arabs expressed themselves as being solidly behind HASSAN in everything that he had said on the "Nightbeat" interview and they saw nothing wrong in HASSAN'S statement that he will speak anywhere for the Arab cause.

NY 105-6112

[] further advised that there is a group of Egyptian diplomats, however, who have expressed themselves as being vitally concerned. This group maintains that HASSAN occupies an important position as Information Officer and public relations man with the American public and in speaking for the NRP, he negates whatever good he can possibly do for the Egyptian cause.

[] further stated even the Arabs, who stand by HASSAN, know that the NRP is considered an un-American organization and that diplomats must be careful not to antagonize public opinion by attending meetings of such organizations.

[] advised that in his opinion, HASSAN would possibly be recalled to Egypt in view of the situation.

T-1 advised on May 16, 1958, that [] blames [] for the trouble that he is having with his government.

According to [] made a big thing out of HASSAN'S appearance on the "Nightbeat" program and the fact that WINGATE confronted HASSAN with a picture of him addressing a meeting of the NRP.

[] claimed that HASSAN had compromised himself and has reduced his status and reputation with the United Arab Republic Delegation to the UN.

NY 105-6112

This source further advised that he learned that HASSAN indicated the "Nightbeat" interview concerning the NRP has caused him endless trouble and has damaged his career in the diplomatic service.

HASSAN advised that he is the victim of intrigue and is using every available connection that he has with President NASSER to fight against his being recalled to a new assignment in the Press Department of the Ministry of Information in Cairo.

T-1 indicated on May 13, 1958, that MADOLE indicated he had finished an article requested by the Arabs, which had taken him three weeks to prepare and contained 35 pages.

He said it is a report on conditions in the United States relating to their boycott of Jewish firms and he does not believe it will be printed, but is for the use of the Arabs.

He listed firms that do business with Israel or in some way were for Israel and firms that contribute to the United Jewish Appeal or other funds and collected money related to Jewish affairs.

MADOLE indicated he had listed 400 such companies and that he did a major part of the work himself, but had received some help. However, he did not indicate where the information was obtained.

MADOLE said he had delivered this report to the Egyptian Office and had stated that these Arabs were infantile in believing that there are good and bad Jews.

NY 105-6112

MADOLE stated he now averages about \$200 monthly on his operation of the NRP and that he is not worrying about money and is not looking for another job.

T-1 indicated on May 19, 1958, that MADOLE stated he had attended a meeting at Hunter College on May 7, 1958, and that he had gone alone.

MADOLE said there were about 51,000 people present and it was simply a Jewish-Catholic meeting. He stated that the place was full of policemen and he saw at least 20 inside the auditorium.

MADOLE indicated he did not pass out any literature on the sidewalk before or after the meeting.

MADOLE indicated he is too busy at present to hold any NRP meetings of his own and that CHARLES SMITH, leader of the Truth Seeker Group would not hold any more meetings until next Fall.

MADOLE said he would not speak at any street meetings this summer because of being occupied with writing the party bulletin and doing work for the Arabs.

MADOLE said he is doing well and cannot handle any more work inasmuch as the Arabs introduced him to the Indonesians and they pay him for his writings.

NY 105-6112

II INDIVIDUALS CONNECTED WITH THE NRP

T-1 indicated on April 1, 1958, that MADOLE stated he had received a letter from JOHN LUNDOFF in which LUNDOFF indicated he had recently been down South and stating that [redacted] is in Alabama helping Admiral CROMMELIN.

b6
b7C

This source added that several years ago when LUNDOFF appeared at NRP street meetings, he was suspected of being an agent of some kind and the source believes it is possible that this new contact by LUNDOFF of MADOLE may be an effort by someone to attempt to feed information to the informants and investigators who work around MADOLE.

This source stated that MADOLE indicated his next bulletin would deal with the United States recession and he would give a full page plug to Admiral CROMMELIN for Governor of Alabama.

MADOLE said his recent bulletin dealing with affairs in the Near East was satisfactorily received.

MADOLE further indicated he is having CONDE MC GINLEY, editor of "Common Sense" reprint a thousand copies of a cartoon sheet which contains anti-Negro cartoons and quotations, which is entitled, "Exposing the Perils of Racial Integration."

T-1 stated that he has no information concerning any plans by MADOLE to go on a speaking tour of Louisville and Knoxville and that he does not personally believe that MADOLE would make such a trip.

NY 105-6112

T-1 indicated on May 6, 1958, that MADOLE indicated on May 1, 1958, that ~~FREDERICK WEISS~~ had visited his apartment and offered he and his mother a four room apartment in Yorkville where MADOLE would be able to do his work properly.

WEISS indicated to MADOLE that he would make the arrangements with the superintendent so that MADOLE would not be bothered and MADOLE gained the impression that the rent on this apartment would be paid for him.

MADOLE stated he flatly refused this offer and shortly thereafter WEISS left.

MADOLE stated that he still does not trust WEISS because when they formerly worked together, MADOLE'S letters, which WEISS had access to, later appeared in a publication of the Anti-Defamation League.

MADOLE indicated several weeks ago that [redacted] had recently appeared with new clothing and a new overcoat which he claimed he bought with \$300 he had won at Bingo.

MADOLE commented that this is not so and he knows [redacted] is an agent, who is selling information to anyone who will pay for it.

He stated that [redacted] as well as [redacted] has been trying to find out who is financing the operation of "Common Sense" published by CONDE MC GINLEY.

b6
b7C

NY 105-6412

T-2 indicated on May 14, 1958, that FREDERICK WEISS, a member of the NRP, made a statement to the effect that he knew [REDACTED]

b7D

T-2 said he knew nothing further regarding this statement, except that he had heard WEISS make it.

T-2 stated that [REDACTED] after a [REDACTED] had indicated that WEISS was not to be trusted as he had "a friend in the FBI."

b6
b7C

T-2 also stated that JAMES MADOLE plans to make a trip through the South in June, 1958, in connection with the work of the NRP.

Mr. ALEX DOMMERICH, Office Manager, L. H. Dommerich and Company, 261 Madison Avenue, New York City, indicated on May 7, 1958, that JAMES H. MADOLE was employed by this firm on September 13, 1955, as a junior clerk at \$10.00 per week, and that he left of his own accord on December 4, 1957.

He stated MADOLE listed his birth date as July 7, 1927; his address as 10 West 90th Street, New York City; and his Social Security Number as 054-24-378. His references were listed as KURT MERTIG, 508 2nd Avenue, New York City, ALFRED TITTMAN, Box 97, Kew Gardens, Queens, New York, and Mrs. HAROLD CROOKES, 1001 2nd Avenue, New York City. The latter was also listed as MADOLE'S previous employment from May, 1953 to June, 1955.

NY 105-6112

DOMMERICH stated that he knew nothing further concerning MADOLE but that his immediate supervisor was JAMES QUINN.

JAMES F. QUINN, 261 Madison Avenue, New York City, stated he had hired JAMES MADOLE and was his immediate supervisor at the time of his discharge.

He indicated that he had advised MADOLE in December, 1957, that he would be laid off because of business conditions. MADOLE quit in the middle of the week.

QUINN stated that there had been no difficulty with MADOLE while he was employed there, but that he strictly stayed to himself and had no friends in the office.

QUINN added, however, that MADOLE was frequently absent because of illness and was considered very odd by his fellow employees.

He added that since MADOLE has left, he has made several telephone calls to female employees at this office and attempted unsuccessfully to make dates with them.

QUINN added that they definitely would not rehire MADOLE.

NY 105-6112

T-3 indicated on April 25, 1958, that the following names appeared on a list which was captioned, "National Renaissance Party,"

III STATED AIMS AND PURPOSES OF THE NRP

The May, 1958 "National Renaissance Bulletin" contained the following on its masthead:

"Official organ of the National Renaissance Party devoted to the restoration of the American republic, preservation of American sovereignty and the establishment of an American regime based on the principles of racial nationalism and social justice."

NY 105-6112

IV ACTION TAKEN TO IMPLEMENT THE PROGRAM OF THE NRP

A. Meetings

T-1 indicated on May 27, 1958, that a small meeting of members of the NRP was held on May 22, 1958, in the apartment of JAMES MADOLE, 10 West 90th Street, New York City.

He stated that most of the talk during this meeting concerned the bulletin about J. EDGAR HOOVER in the "Masters of Deceit".

He stated the following persons were present:

JOE RUDDEN

FRED D'ANGELO

JOSEPH LETTL

Also present were several young boys who formerly were associated with WEST HOOKER'S Nationalist Party.

MADOLE indicated at this meeting that the new bulletin would be delivered to CONDE MC GINLEY on May 23, 1958, and the printing would be finished the following week.

T-1 added that these small informal meetings are held weekly at MADOLE'S apartment with only a handful of persons in attendance.

NY 105-6112

T-1 added that no public meeting are planned for the future.

B. Publications

T-1 indicated on April 21, 1958, that the March-April, 1958 "National Renaissance Bulletin" had been printed by CONDE MC GINLEY and was being distributed by JAMES MADOLE.

He stated this bulletin consisted of two articles entitled, "Racial Nationalist Candidate Seeks Governorship of Alabama", which concerned Admiral JOHN CROMMELIN of Wetumpka, Alabama and "Behind Racial Integration Stands the Jew" by JAMES H. MADOLE, an anti-Jewish article.

T-1 indicated on May 1, 1958, that MADOLE stated he believed the next issue of the "National Renaissance Bulletin" would be late because the "Arabs advised they want me to write an article for which my tentative title is 'Conditions in the USA'."

MADOLE stated this article is not for his bulletin but will be translated in the Arabic language and published in an Egyptian paper and probably in other publications.

NY 105-6112

T-1 indicated on May 1, 1958, that MADOLE indicated the next bulletin entitled, "J. EDGAR HOOVER Is the Master of Deceit All Over America" would be ready to go to the printer on May 21, 1958. He said the bulletin would run 5 pages and be printed as usual by CONDE MC GINLEY in Union, New Jersey.

MADOLE said he would include information he had gathered about HOOVER'S association with WALTER WINCHELL, a long time agent for the Anti-Defamation League.

MADOLE said he would "plaster" HOOVER and "take him down a notch or two."

T-1 added that MADOLE is incensed over the chapter in HOOVER'S book which deals with the Jews and he stated, "All the HOOVERS in the world will not be able to sell Jewry to us."

T-1 added that the following Indonesian literature had been received by MADOLE and was stamped with the name of the National Renaissance Party, 10 West 90th Street, New York City:

"The Religious Life of Indonesia."

"Search For An Indonesian Identity", a 20 page booklet published by the New Nusantara Publishing Company.

NY 105-6112

"The Indonesian Spectator" dated March 15, 1958, described as a magazine of Indonesian affairs published in Tjakarta.

"Report on Indonesia" dated November, December, January, 1957-1958, published by the Embassy of Indonesia, Washington, D.C.

This source stated that MADOLE also has a new leaflet entitled, "The Jew Does", which is very anti-Jewish and which MADOLE states he has been distributing in the Yorkville section of New York.

MADOLE said that CONRAD GRIEB had given him a few hundred copies and MADOLE was considering having an additional number printed so he could give it a wider distribution.

MADOLE stated that [redacted] had recently called on him praising FRED WEISS and asking him to make up with WEISS.

b6
b7C

MADOLE again reiterated what he has said in the past, that he would have nothing further to do with WEISS because of a situation which arose in the past concerning his relations with WEISS.

T-1 indicated on June 3, 1958, that the May, 1958 "National Renaissance Bulletin" is presently being distributed by MADOLE and it consists of one article entitled, "J. EDGAR HOOVER, America's Foremost Master of Deceit", by JAMES H. MADOLE.

NY 105-6112

T-1 stated this article is an attack upon HOOVER and his book, "Masters of Deceit", along the usual anti-Semitic line of MADOLE and the subject organization.

Mr. DANIEL M. SULLIVAN, 1547 North Niagara Street, Burbank, California, on April 28, 1958, furnished a leaflet entitled, "Why Are 90 Per Cent of Communists Jews?", an anti-Jewish leaflet which was stamped "NRP, 10 West 90th Street, New York City."

C. NRP Groups in the United States and Association of the NRP with Other Nationalist Groups

T-1 indicated on April 14, 1958, that MADOLE had received a mimeographed letter allegedly sent by MILLARD GRUBBS, Chairman, Citizens Council Kentucky Incorporated, 1427 South 6th Street, Louisville, Kentucky, to [REDACTED]

[REDACTED] which was being circulated among Nationalist groups in the New York City area.

T-1 stated that MADOLE was not impressed by GRUBBS and has stated that he is too old to be of any use in the Nationalist movement.

MADOLE has stated further that he has no intention of going to Louisville, or any other Southern cities, as a speaker for the citizens councils or any other similar groups.

b6
b7c

NY 105-6112

T-1 indicated on June 27, 1958, that during the past six months, MADOLE has received numerous requests from leaders of klan groups, citizens council groups and similar types of organizations in the South soliciting his cooperation and support.

According to this source, MADOLE, as in the past, has rejected all such offers and apparently has no desire to join the NRP with any other nationalistic type organization.

APPENDIX

"COMMON SENSE"

It is noted that "Common Sense" published by the Educational Association of Union, New Jersey, was characterized in a report issued on December 17, 1954, by the Committee on Un-American Activities of the United States House of Representatives as a "hate group" vehicle publishing "some of the most vitriolic hate propaganda ever to come to the attention of the Committee". According to the report, "Common Sense" depicts Communism as "Judaism", and devotes its pages almost exclusively to attacks on the Jewish and to a lesser extent, the Negro minorities in our nation. Sympathy for the former Nazi regime in Germany is also injected into this propaganda.

[REDACTED] furnished the following information
on 7/18/58:

He stated that JAMES MADOLE is presently distributing a leaflet entitled "Shall Americans Fight in War for the Jews?". He stated that this leaflet had been written by MADOLE at the request of the Arabs (not specifically indicated which Arabs) and that CONDE MC GINLEY, Editor of "Common Sense", had mimeographed 1500 copies of this leaflet. This informant indicated that MADOLE had been distributing a leaflet entitled "Ten Years" recounting the activities of Israel and because the Arabs felt that readers of this piece might misunderstand and get the impression that they were praising Israel, this new leaflet is being distributed which is strongly anti-Jewish. The leaflet indicated that powerful Jewish pressure groups had become the most influential political and economic force in American life, and are responsible for legislation breaking down all racial barriers in schools, public housing and private summer resorts. MADOLE indicated to the source that the Arabs would distribute this latest leaflet abroad.

MADOLE stated that the United Arab Republic Office had indicated to him that GERALD L. E. SMITH had recently visited them and told them that MADOLE's organization is a veritable nest of Jewish spies.

MADOLE said the Egyptians told him that they had put SMITH on the right track by telling him that "MADOLE is one of our best friends". MADOLE said as a result SMITH is now sending him letters and literature, but MADOLE states he does not trust SMITH. This source added that MADOLE recently had two large cartons of literature at his apartment which he had picked up at the United Arab Republic Office and he believes it is old literature.

The above described leaflet will be made an exhibit in the NRP file.

He stated that JAMES MADOLE, leader of the National Renaissance Party, recently stated that he had distributed 1100 copies of his latest Arab leaflet. However, he has received very little mail recently concerning his current NR Bulletin but ascribes this to the hot weather.

MADOLE also indicated that the Jews are doing their utmost "to tie me up with Arab offices claiming I'm an agent for them". This source stated MADOLE did not indicate how he got this story, but from his conversation, it was apparent that someone had talked to him and he took it as an indicator that the Jews are back of it.

MADOLE further indicated that his new NR Bulletin is being printed by Conde Mc Ginley and will have the title "Why Are American Marines In Lebanon?" and "The Sinister Forces Behind Premier Charles De Gaulle".

He indicated this article would be critical of American and British troops landing in Lebanon and Jordan and critical of Israel.

CONFIDENTIAL SOURCE

[REDACTED] furnished the following information on 9/17/58, which information he received from a source whom he termed reliable, but whose identity he did not wish to disclose. He indicated that JAMES MADOLE, leader of the National Renaissance Party, had recently indicated that he intends holding a meeting of the Party on 10/17/58, at Steinway Hall, W. 57th St., NYC. This source indicated that originally MADOLE had indicated that he would not hold any public meetings of the Party this year, but instead would appear as a speaker at meetings to be held by CHARLES SMITH, leader of "The Truth Seeker". MADOLE indicates now, however, that SMITH will hold a meeting at Steinway Hall on 10/10/58, at which he, MADOLE, will be a speaker, and MADOLE will hold his NRP meeting the following week. This source added that SMITH and his followers would attend this meeting. MADOLE indicated that SMITH's meeting will be devoted to racialism and equality rather than atheism, which his previous meeting was concerned with.

This source indicated that MADOLE continues to have large quantities of Arab literature at his apartment, and he states that he is very busy, and needs nearly all of his time to work for the Arabs. This source indicated that it does not appear that MADOLE is in need of funds. This source indicated that MADOLE advised he is ^{not} going to devote his next NRP bulletin to segregation, which is a very hot issue at this time, because the Arabs want him to do an article on West Germany and the Zionists. MADOLE stated that he has to get this out in a hurry and it will be entitled "Germany - The Slave of Zionist Imperialism".

MADOLE also indicated that his NRP bulletin dealing with HOOVER is entirely sold out, and he is asking CONDE MC GINLEY, publisher of "Common Sense", to run off another five hundred copies so that he can fill requests. This source indicated that MADOLE recently had obtained the following literature, which he stamped with the NRP stamp, and is distributing through NRP channels. This source added that MADOLE did not indicate where he received this literature, or for what purpose he is distributing it. This source noted that this is the first instance that MADOLE has handled any Chinese literature. The following are the titles of this literature:

"Communism At Work In China" by STANLEY K. HORNBECK, a twelve-page booklet issued by American and Asian Educational Exchange, Incorporated, 17 Park Ave., NY.

"Communist China" by GRAG O'DWYER, Published by the Committee of One Million (against the admission of Communist China to the United Nations).

"Communist China In Asian Affairs" by C. M. CHANG, issued by the Institute of Ethnic Studies, Georgetown University, Washington, D. C.

This source indicated that CONDE MC GINLEY, editor of "Common Sense", in Union, New Jersey, stated that LINCOLN ROCKWELL is a very gifted man and an excellent writer, but is wrong politically and is involved with [REDACTED] and other "crackpots". MC GINLEY indicated that ROCKWELL had written him a letter indicating that he is coming to NY and is taking over the WEST HOOKER organization.

[REDACTED] who has furnished reliable information in the past, made available to the NYO on 10/2/58, the ~~late~~ "National Renaissance Bulletin" dated August, 1958, which consisted of one article entitled "Western Germany, A Slave-Colony of Zionist Imperialism" by JAMES M. MADOLE. He indicated that this bulletin was written by MADOLE several weeks ago, but that its printing had been delayed at the office of "Common Sense" Union, New Jersey, where all of MADOLE's printing is done. This source added that this Bulletin is anti-semitic and deals with German reparations to the State of Israel and the reasons why the Jewish race has been driven out of nearly every country in the civilized world.

b2

This source further indicated MADOLE also had COME HE GINLEY print a one page leaflet entitled "Is Anti-Jewish Feeling Justified by World History?" He stated this leaflet is anti-semitic and requests readers to subscribe to the "National Renaissance Bulletin" for facts on the Jewish question. This source stated that this leaflet would be distributed through regular NRP channels along with the current "National Renaissance Bulletin".

This source also stated that JAMES MADOLE had indicated that he and several of his followers had attended a parade held on Sunday, 9/21/58, celebrating Stoughton Day and they had distributed about 800 copies of this leaflet.

Two Photostats of this bulletin and leaflet will be made to furnish to the Bureau for information as in the past and the originals will be made exhibits in the NRP case file.

ORGANIZATIONS WHICH MAY BE
ENGAGED IN VIOLENT ACTIVITIES
INVOLVING MINORITY GROUPS

At 5:30 PM, I talked with Assistant Director ROSEN, Investigative Division, and advised him of the anonymous call received at 5:29 PM at the switchboard in the NYO. I advised Mr. ROSEN that Detective WILLIAM BYRNS, Queens Headquarters, NYCPD, was immediately advised of the above information and he stated that he would alert all Forest Hills personnel.

Mr. ROSEN requested to know if this office knew anything about a Renaissance underground or group. He was advised that in the case captioned "NATIONAL RENAISSANCE PARTY; IS - X", Bufile 62-83296, information regarding the National Renaissance Party was reflected. The leader of this group was an individual by the name of JAMES MADOLE, last known address was 10 West 90th Street, NYC. This party was described by a reliable source as neo-Fascist, anti-Semitic and anti-Negro. Their known activity consists of putting out anti-Jewish literature and MADOLE has also been known to distribute pro-Arab literature. Five people who have attended meetings of this group have been identified.

Mr. ROSEN stated that it would not be necessary to confirm this information by airtel or teletype as he would make appropriate record of it at the Bureau.

He said that at this time he could not remember the name of the student who had contacted him but he does recall that the headquarters were in Beacon, NY and that all stationery and literature received by him had a streak of lightning on the top. He further advised that Mr. McLAUGHLIN, Dean at the University, would probably know the name of the student who was trying to organize inside of the University.

He went on to state that he believed all information had been given to the Mineola Resident Agency, including literature, in 1953.

ReBuairtel to SAC, Albany, dated 10/16/58, in the above-captioned matter and requests of ASAC N. H. McCABE.

The following memorandum is being furnished at the request of ASAC N. H. McCABE outlining contemplated investigation in the NATIONAL RENAISSANCE PARTY case in order to comply with referenced Bureau instructions.

The following objectives and the suggested means to obtain them is set forth for this investigation:

1) Determine the present and past contacts of the NATIONAL RENAISSANCE PARTY and JAMES MADOLE by the use of mail covers on MADOLE and the NATIONAL RENAISSANCE PARTY. These contacts will also be determined through a checking of toll calls possibly made by MADOLE in connection with the NATIONAL RENAISSANCE PARTY. These toll calls can be checked through NYO sources at the New York Telephone Co. once MADOLE's use of a phone is established.

2) Determine whether or not a source of information is available at the apartment of MADOLE, 10 West 90th Street. It may be possible to develop a source which will enable us to know what materials MADOLE has in his apartment in connection with his NATIONAL RENAISSANCE PARTY work.

3) Determine the financial background of the NATIONAL RENAISSANCE PARTY and MADOLE. Attempts will be made to locate any bank accounts maintained by MADOLE or the NATIONAL RENAISSANCE PARTY with a view to finding out what his source of funds is and also through this material to determine what persons or organizations MADOLE has contact with.

**BOMBINGS AND ATTEMPTED BOMBINGS IN

ReBuairtel 10/16/58.

In accordance with Bureau instructions in referenced airtel, the NYO has launched an intensive investigation of the National Renaissance Party, Bufile 62-83296, which is located at 10 West 90th Street, New York City. The following is an outline of the investigative plan which the NYO will carry out in order to ascertain if this group has any connection with Southern bombings and to insure adequate informant coverage of this group:

1. Determine the present and past contacts of the National Renaissance Party and James Madole by the use of mail covers on Madole and the National Renaissance Party. These contacts will also be determined through a checking of toll calls possibly made by Madole in connection with the National Renaissance Party. These toll calls can be checked through NYO sources at the New York Telephone Company once Madole's use of a phone is established.

the Bureau of Solicitations in New York City. Madole possibly solicits funds in the NYC area for which a license would be required.

5. To establish possible neighborhood sources concerning Madole and the NRP through the NYCPD in the Yorkville area where Madole has been active and through the BSI of the NYCPD.

6. To attempt to develop sources of information and possible informants within the NRP. This might be accomplished through contacts with Jewish organizations in the NYC area who it is presumed have maintained files on organizations, such as the NRP. This may also be accomplished through selected interviews with members of Madole's organization. Individual case files will be opened on certain individuals in the NRP, background information obtained concerning them and where warranted recommendations made for their interview with a view toward developing them as sources.

The NYO has assigned five agents to carry out the above investigation.

New York has also launched an intensive investigation of the National States Rights Party, Bufile 105-33261, office of origin Indianapolis. New York files indicate that a group formerly known as the Nationalist Party, aka United States Nationalist Party, Nationalist Youth League, formerly headed by West Hooker of New York, is now being operated by Lincoln Rockwell of Arlington, Virginia, for the National States Rights Party. This group participated in picketing of the White House, Washington, D. C., on 7/26/58 for the NSRP. It is noted that West Hooker is presently believed to be living in Italy and Rockwell has stated that Hooker turned this New York group over to him when he left.

The following is an outline of the investigative plan which the NYO will carry out in line with Bureau instructions in referenced airtel:

1. Conduct investigation of John Lundoff, listed as subscriber to Post Office Box 208, Canal Street Station, New York, which is listed as the New York NSRP headquarters.

2. Consider desirability of placing mail cover on Lundoff and the P. O. Box.

3. Consider desirability of developing a highly confidential source at Lundoff's residence.

Letter to Director
Re: NY 44-608

4. Open case files and conduct investigations of known Party members and consider advisability of interviewing them with a view toward developing sources on this group.

5. Maintain close liaison with BSS, NYCPD, and the 19th Precinct, NYCPD, who have conducted investigations of members of this group.

6. Maintain contact with [redacted] and other New York sources who have furnished information in the past regarding this group.

b2
b7D

7. Utilize sources of the WFO, Charlotte, and Indianapolis Offices who have previously furnished information regarding activities of New York members of this group. Six agents have been assigned to carry out the above investigation.

The NYO is presently preparing reports on the above two groups, which should reach the Bureau by 10/30/58. Thereafter reports will be submitted each thirty days until the Bureau advises to the contrary or until the group under investigation has definitely been eliminated as having any connection with the bombings.

In addition to the above two organizations, the NYO gave consideration to the following groups as possibly having some connection with the Southern bombings:

The American Committee for the Advancement of Western Culture was an organization promoted in 1953 by H. Keith Thompson, who claimed it was a cultural organization. Thompson discontinued his efforts in August, 1953, and this organization has been inoperative since then. Thompson was a former registered agent for the Socialist Reich Party of Germany, a neo-Nazi organization, and he has been prominent in causes to aid former Nazi prisoners of war. No information has come to the NYO since 1953 indicating any activity in behalf of the ACAWC and Thompson is not known to have been active in any similar groups since that time. The NYO has a Registration Act case concerning Thompson and has actively investigated his activities up to May, 1958, when this case was presented to the Department for its opinion. There was no indication during this investigation that Thompson was active in any organizations. [redacted]

b2
b7D

Letter to Director
Re: NY 44-608

who has furnished reliable information regarding Thompson's activities in the past, stated on 10/21/58 that he had no information that the ACAWC had been active since 1953 or that Thompson is active with any similar organizations. In view of the above, it is not deemed necessary by the NYO to reopen investigation of the ACAWC.

The New York State White Citizens Council was not included in Buairtel of 10/16/58, but was reviewed by the NYO to determine if it would come within the category set out by the Bureau.

This group was reportedly organized in November 1956 by [redacted] [redacted] referred to [redacted] as a "crackpot" and stated that there is no club or organization to which [redacted] belongs. [redacted] was reportedly contacted in 1957 by John Kasper, leader of the White Citizens Council of District of Columbia, and urged to organize a citizens council in NYC. However, informants indicated that [redacted] is [redacted] and was not able to form an organization inasmuch as he was not looking for council members but was looking for [redacted]

b6
b7C

The Bureau, by letter dated 11/13/57, instructed that reports on White Citizens Council groups were not required unless specifically requested by the Bureau and this case was closed.

A case file was opened on [redacted] NY 105-25464, in May, 1957, and closed in June, 1957, when it was determined that he was a "crackpot" who had been writing anti-integration articles for some time, but who belonged to no organizations.

b6
b7C

[redacted] was contacted on 10/22/58 and stated that he has no indication that the New York State White Citizens Council ever operated as an organization inasmuch as [redacted] was unable to form any group. He further stated that he has no reason to believe that [redacted] was connected in any way with the bombings in the South.

b2
b6
b7C
b7D

In view of the above, the case on the New York State White Citizens Council is not being reopened for investigation, inasmuch as it appears that it could not have been involved in the Southern bombings.

The United Nordic Confederation was not listed in referenced Buairtel, but the NYO felt it should be reviewed to

Letter to Director
Re: NY 44-608

ascertain if it fell within the category described by the Bureau.

The United Nordic Confederation was a group composed of 12 teenagers [redacted] which allegedly plotted to rob a bank in Queens during January, 1958. All members of this group were arrested by police in January, 1958, and this group received great notoriety in the newspapers although it appears that the group never actually operated as an organization. All members of the group were placed on probation [redacted]

[redacted] is alleged to be [redacted] and has recently been involved with members of the Nationalist Party, with whom he participated in picketing the White House in Washington, D. C., in July, 1958. Since that time, he has had a falling out with this group and has been beaten up by them on several occasions. As a result of this, [redacted]

b6
b7C

[redacted] was contacted on 10/22/58, and stated that there is no evidence that the United Nordic Confederation is in existence at the present time or that it could have been involved in the Southern bombings. It is not deemed necessary for the NYO to open an investigation of the United Nordic Confederation inasmuch as there is no evidence that this group ever operated and there is no indication that it could have been connected with the Southern bombings.

Mr. Noramán Feith, 315 W 86 St. NYC is the owner of the building at 10 W 90 St., which is the residence of James Madole, was interviewed by SA [REDACTED] and the writer. He advised that Madole and his mother share Apt. 8 at 10 W 90 St. , paying 88 dollars a month. Madole's lease has expired and he now is a tenant from month to month. The rent is paid by Postal Money Order and Feith does not recall any checks Madole may have used. Feith states that he is dead set against Madole and his policies and will cooperate to the fullest with the FBI. Indices are negative on Feith. Feith says Madole has no sympathizers in the building.

[REDACTED] furnished the following information re the captioned group on 10/20/58.

He indicated that JAMES MADOLE, leader of the subject group attended a meeting on 10/10/58 at Steinway Hall sponsored by the TRUTH SEEKER group an atheist group headed by CHARLES SMITH.

He indicated that Joe Rudden of the NRP accompanied Madole at this meeting and that MADOLE was called upon to speak. MADOLE made his usual speech concerning the Jews and that they are behind Communism. SMITH announced that MADOLE would be the principal speaker at the next meeting of this group to be held on Nov. 14.

This source added that MADOLE has not mentioned any plans to has to hold his own public meetings this Fall but appears to be content to speak at the TRUTH SEEKER meetings thus saving him the effort and expense of holding his own NRP meetings. He added that SMITH furnished MADOLE with 400 postcards to send out announcing the Nov. 14th meeting and the fact that MADOLE would be the principal speaker.

This source stated that MADOLE has stated that he is now working on his next Bulletin which has been delayed because of his prior commitments to the Egyptians. This source said that MADOLE evidently had to write something for the time and had no time until now for his own Bulletin. MADOLE stated that this Bulletin will deal with segregation and he will blame the Jews for adding and abetting this movement.

In discussing the recent bombings Madole stated "these bombers are screwballs and have no place in the movement and are hurting the cause". This source added that MADOLE has stated many times in the past that he does not want to get mixed up with any other groups and has avoided becoming involved with any of the southern segregation groups.

On the afternoon of 10/24/58, Thomas G. Weaver, Special Assistant to the Attorney General of the State of New York in charge of the Civil Rights Bureau, called at the New York Office and showed me a copy of the pamphlet, "WHO IS THE REAL ENEMY?" which bears the inked stamp, "National Renaissance Party, 10 West 90th Street, New York 24, N. Y." This pamphlet was sent to the Attorney General by A. NALABOFF, 83-75 - 118th Street, Kew Gardens, Long Island, by letter dated 10/6/58, advising that the pamphlet was placed under his door on October 6, 1958.

After it was determined that the office already has copies of the pamphlet, this pamphlet was returned to Mr. Weaver and he was thanked for his cooperation in bringing this to our attention. He stated that he did not know whether the Attorney General's office was going to take any action against the National Renaissance Party but stated that he would notify our office of any action contemplated.

Los Angeles files likewise disclose no information concerning FREDERICK JOHN KASPER and JESSE B. STONER not known to the Bureau and the offices of origin.

It has, of course, been brought to this office's attention in the past few years that literature issued by certain of the above organizations, namely, the Christian Educational Association, the Christian Patriots Crusade, the National Citizens Protective Association, and the National Renaissance Party (most commonly the first mentioned), has been distributed, usually by unknown persons via mail and under circumstances indicating no effort to organize branches in the Los Angeles area.

The literature concerning the National Renaissance Party has been invariably small, poorly done, mimeographed leaflets discovered during the past year inserted between the pages of books in school and public libraries in the Los Angeles vicinity, alluding to no local address or activities but attempting to interest the reader in subscribing to the organization's "Bulletin."

Of possible interest is a news article that appeared in the Los Angeles "Mirror News" dated January 18, 1955, which mentions that the National Renaissance Party had come to the attention of the House Committee on Un-American Activities, which had, in a report on "hate groups", stated one JAMES R. WHITE, billed as an "organizer" for the NRP in Los Angeles, had been a guest speaker at a meeting of the NRP in Yorkville, New York, on June 26, 1953; that WHITE had allegedly organized a fully uniformed group "in his city" and had distributed thousands of copies of the NRP's "Bulletin." The article suggested the House Committee had given WHITE "unduly high notice," adding that "whatever activities he may have engaged in for the NRP in the past now are pretty much discontinued," and that in any event WHITE had departed Los Angeles to attend the Hastings School of Law in San Francisco. In connection with this news item, it is interesting that none such mentioned activities on WHITE's part had previously come to this office's attention, and presumably were greatly exaggerated, if not total falsehoods.

The following is submitted for the Bureau's consideration in regard to the organizations mentioned in rebuairtel as existing in the Los Angeles area, along with two others which, file reviews show, fall in the category of "hate" mongers:

CHRISTIAN NATIONALIST CRUSADE, aka
(Bufile 62-43818)

The CNC continues to maintain its mailing headquarters in Glendale, California and is, along with its various "paper" auxiliaries, the media through which GERALD L. K. SMITH, aided by a staff of associates of long standing [redacted]

[redacted], maintains the publication of racially biased propaganda and preserves his following through personal appearances at meetings held in Los Angeles and sometimes in the course of tours across the country.

SMITH and his organizations have been the subject of continuous investigation by the Bureau for many years until as recently as last year. He has not been found to advocate that his followers engage in violence of any kind, or that violence be involved in the solution of any of the problems he presents to his audiences and readers.

[redacted] who has maintained an active interest for years in SMITH (and the CNC) in view of his frequent

meetings at the Embassy Auditorium in Los Angeles, stated on October 20, 1958, that SMITH and his associates, including the [redacted] have never committed themselves to a course of violence. He said that SMITH's organizations are not membership organizations but are only "paper" organizations, and thrive on the sale of literature, almost entirely of SMITH's own production, and the contributions from his audiences at meetings and others who approve the tenor of his literature and accede to his frequent appeals for funds. (His CNC, as a "national political committee" makes regular reports to Congress under the Federal Corrupt Practices Act, listing the names of those who contribute over \$100.)

b6
b7C

He stated SMITH's activities are always open and aboveboard, and his character is such that were he to be approached by the authorities he would more than likely turn over the keys to his office, to the embarrassment of his interviewers. It is this openness, coupled with his unique oratorical and organizing abilities, and an excellent sense of discretion in relation to the legality of his movement, that has permitted him to endure as the pre-eminent public crusader of a "white Christian America." His continued success remains dependent on these considerations, and his being involved in any way, with the illegal activities of violence, such as the bombings in the South, would be his downfall. In other words, he has too much to lose to involve himself in such activities.

[redacted] said this conclusion likewise applies to his associates, including [redacted] over whom SMITH exercises personal direction. Moreover, [redacted] is too intelligent a man to have not come to realize with the passing of time that the course most conducive to his own interests (if he ever thought otherwise) is one of avoiding similar involvement. [redacted] added that SMITH reportedly expressed his serious concern that his organization might unjustly be blamed in some way for the recent bombings in the South.

b2
b6
b7C
b7D

[redacted] who has likewise maintained an active interest for years in SMITH's organizations, in concert with [redacted] organizations throughout the country, stated on October 20, 1958, that SMITH's primary interest is financial and that he is too intelligent to permit himself or his associates to bring about the ruin of his whole "racket" by involvement, direct or indirect, in violence such as the bombings in the South. He said he has not heard and does not believe that

b6
b7C

a serious possibility exists that SMITH or his associates have any relation to the bombings.

ARTHUR WENDINGER of the Los Angeles Sheriff's Office's Anti-Subversive Detail, Detective Captain CARL LINDHOLM of the Pasadena, California Police Department, and Detective Captain WALTER E. HEGI of the Glendale, California Police Department (on October 22, 1958) were able to furnish no information indicating that the above characterizations of SMITH and his organizations are not true. All the above sources stated that they have received no information indicating that anyone or any organization locally advocates the use of violence in racial matters, or that anyone is suspected of possible involvement in the recent bombings in the South.

"WILLIAMS' INTELLIGENCE SUMMARY"
(Bufile 105-10091)

Los Angeles files disclose ROBERT H. WILLIAMS has been engaged solely in the publication of his literature, and that there is no information that he has advocated violence in the solution of racial problems. He has, moreover, been interviewed by Special Agents on two or three occasions in the past and has always been cooperative.

[redacted] who has been reliably cooperative with Agents of this Office in security matters on several occasions, stated on October 23, 1958, that he has been acquainted with ROBERT H. WILLIAMS for some time in Santa Ana and that as long ago as 1957, WILLIAMS ceased publishing the "Williams' Intelligence Summary" under the name Williams' Publications, Post Office Box 868, Santa Ana, of which he was the sole proprietor. He said that WILLIAMS quit because his literature activities had never been remunerative; that WILLIAMS has since moved to Silverado, California, and is now the owner and manager of the Duplicard Addressing Machine Company, 1010 East Chestnut Street, Santa Ana. He explained that during the past few years WILLIAMS had been working on the side perfecting an invention (the Duplicard Addressing Machine) and that he has recently been able to incorporate and go into business on a full-time basis. He said that WILLIAMS now retains no connections with his past publishing activities; that he never had a membership organization or advocated violence in his writings, and has made no trips outside of California during the past couple years, and could conceivably have had no connection with the bombings in the summer.

LA 105-6075

[redacted] and [redacted] (above) both confirmed the statements that WILLIAMS is not known to have advocated violence in his articles, or to have been more than a publisher of his own writings on communism and subversive influences from an anti-Semitic point of view.

AMERICAN NATIONALIST
(Bufile 105-22921);

KEEP AMERICA COMMITTEE
(Los Angeles file 100-33703)

The American Nationalist (AN), Post Office Box 301, Inglewood, California, is the name under which FRANK L. BRITTON, 11146 Hawthorne Boulevard, Hawthorne, publishes (on an irregular basis) the four-page "The American Nationalist" and miscellaneous anti-Semitic and anti-Negro leaflets, replete with lurid photographs which he mails locally and allegedly to addressees in the southern states. BRITTON and the AN have been the subject of previous investigation by this Office in 1953 and again in 1956. At those times it was learned that BRITTON operates alone and is engaged solely in the sale of his own literature, making frequent appeals for subscriptions to his literature and donations to continue his efforts.

R. GLENN SKIRVIN, Postmaster, Inglewood, California, stated on October 22, 1958, that BRITTON's AN has been investigated by the Postal Inspectors on four or five different occasions, but has never been found to have misused the mails, having never advocated the use of violence in his literature. He said that BRITTON frequently visits the Post Office to deposit batches of his literature in the mails, destined to addressees locally and in the southern states. He added that the AN is not a membership organization, conducts no meetings, and is solely operated by BRITTON for the purpose of selling his literature and seeking donations, through these means "earning" a living for himself and his wife. He added that BRITTON is not the sort to get along with others and he has never sought the association of others in his AN.

The Keep America Committee (KAC), Box 3094, Terminal Annex, Los Angeles, California, is, similarly, a name behind which Mrs. HELEN W. COURTOIS, 1405 Sutherland Street, Los Angeles, publishes literature, usually reprints of other "nationalist" literature. None of the various items that have come to this Office's attention advocates violence,

LA 105-6075
WJM:mac

seeks membership or mentions organized activity, but only indicates that the particular items can be ordered in batches at a price from the KAC.

[] and [] (above) both state that their organizations have been actively interested in BRITTON's AN and COURTOIS' KAC and have learned that the AN and KAC are not and have never sought to be membership organizations, hold no meetings and are operated solely by BRITTON and COURTOIS for the production of literature. They stated that neither is known to have advocated violence or to have been associated with anyone who has. ROOS added that COURTOIS is a woman in her later 50's or early 60's. They stated that it is not conceivable that either BRITTON or COURTOIS have any connection with the bombings in the South and that neither has the ability nor the funds to engage in any activities outside the state, except for the mailing of literature.

b2
b6
b7C
b7D

ARTHUR WENDINGER of the Anti-Subversive Detail of the Los Angeles Sheriff's Office; Detective Captain CARL LINDHOLM of the Pasadena, California, Police Department; Detective Captain WALTER E. HEGI of the Glendale, California, Police Department, and Detective Lieutenant R. J. GOODYEAR of the Inglewood, California, Police Department (on October 22, 1958), were able to furnish no additional pertinent information concerning BRITTON and COURTOIS.

GENERAL

All of the above-mentioned sources stated they have received no information indicating anyone or any organization locally advocates the use of violence in racial matters, or that anyone is suspected of involvement in the recent bombings in the South.

Contact with security informants and all other logical informants and sources has been unproductive but has served to alert them to the importance of immediately forwarding information concerning persons or organizations possibly relating to bombings in the South to this Office. Contact with them will be maintained on a continuing basis.

RECOMMENDATIONS

It is recommended that no active investigation be undertaken in connection with the "Williams' Intelligence

Summary" in view of its discontinuance almost one year ago, and WILLIAMS' disassociation from his past activities, being presently absorbed in his new business. It is also considered, being "one-man" operations of a nonmembership type engaged in issuing literature, investigations of BRITTON's American Nationalist and COURTOIS' Keep America Committee are not warranted and would be ineffective in achieving the Bureau's primary purpose in these investigations; consequently, no active investigation will be conducted of these three organizations, UACB.

With regard to SMITH's Christian Nationalist Crusade: From investigation conducted in the past (until 1957), the continuing review of literature emanating from the CNC and the continuing attention it receives from local sources, a presumptive pattern has been established indicating that SMITH and his associates are not of such a radical nature as to present a potential for violence, except, of course, insofar as deep-seated, racial ill-feeling is engendered in some readers of his literature. In investigating SMITH and his associates to ascertain whether the above-mentioned presumptive pattern does not apply equally to their activities when outside of California, it would seem necessary to establish a source among SMITH's inner staff which, it is believed, would constitute a grave risk of embarrassment to the Bureau, because it is apparent that the interests of each associate is the interest of all. Other investigative steps, it is believed, could hardly achieve the primary purpose for initiating investigation.

The Bureau is requested to advise whether it desires the risk be undertaken, nevertheless, or whether it is thought a direct approach to SMITH and/or any of his associates, and for that matter BRITTON, WILLIAMS and COURTOIS, for any information they may have heard in connection with the southern bombings, is not warranted. SMITH may, in the past, have ridiculed the idea of the FBI investigating him and his organization(s), but it is not recalled that he has been critical of the Director or the FBI.

This Office will, in addition, review its files to identify certain individuals who may have participated in Klan activities years ago to establish their present activities and to determine if they might properly be considered within the Bureau's program.

Re report of SA [] at Philadelphia, dated 8/20/41, captioned ACTIVITIES OF SILVER SHIRTS AND KU KLUX KLAN ORGANIZATIONS IN WILKES BARRE, PA. Dissemination was made to Bureau and Philadelphia.

Instant report reflects that [] advised SA [] on 3/21/51 that the Silver Shirts constitute an anti-Semitic and anti-foreign organization and are in his opinion 100% pro-American. He believed there were 26,000 Silver Shirt members in Luzerne County alone. It was his understanding that the Ku Klux Klan was a branch organization of the Silver Shirts and that these two organizations met together between Kingston and Forty Fort, Pa.

Mr. IRVIN S. SHRODE, Director, Immigration and Naturalization Service, and others advised SA [] that [] has very little knowledge of these matters and they considered his comments of negligible value.

On 6/14/50, Chief of Police JOHN GOOD, Williamsport, Pa., advised that he had heard from the American Legion Post that a chapter of Silver Shirts, consisting mostly of Italians, was being formed.

On 6/17/40, Chief of County Detectives K. MUNSHOWER, District Attorney's Office, Norristown, Pa., telephonically advised that he had heard that a chapter of Silver Shirts had been formed in Pottstown six or seven months previously.

A Confidential Informant of a local G-2 representative, whose reliability was unknown but who was alleged to be closely associated with CP leaders in Denver, Colorado, furnished a list of organizations and individuals which were claimed by CP leaders to be actively pro-Nazi and anti-Britain. This list, which was dated 12/10/41, carried the name, Silver Shirts, Indianapolis and Noblesville, Ind.

Report of SA FRED G. COOK dated 10/27/43 at Philadelphia, captioned, WASHINGTON GUARDS ASSOCIATION, INC.; ARYAN ASSOCIATION, IS - C, reflects a signed statement by [redacted] dated 9/10/43 at Reading, Pa., which reflects that "Members of the Washington Guards Association, Inc., were promised a year's subscription to PELLELY's paper, the 'Liberator,' this to be included as part of the membership fee of \$10.00. I had subscribed to PELLELY's paper, which was first called 'Liberation,' in 1933 or 1934 and continued my subscription to the time the publication was discontinued. I joined the Silver Shirt Legion in 1935 or 1936. There were not over ten persons in the Reading unit of the Silver Shirts which was headed by a Regional Director whom I recall as being a machine shop employee from Pottstown, Pa.

b6
b7C

"The initiation fee for the Silver Shirts was \$10 or \$15 and no dues were paid thereafter although the members bought PELLELY's publications and also booklets in the form of scripts which were written by PELLELY and issued monthly or semi-monthly.

"In the beginning the Silver Shirt movement appeared to be purely religious with no political element present. Around 1937 - 38 the scripts began to deal with the manner in which the Jews controlled international finance and became anti-Semitic. During the meetings the Regional Director would first read a script written by PELLELY and after this discussion of the script was had among the members. No large meetings of the Silver Shirts were held in Reading. In 1935 or 1936 PELLELY's headquarters at Asheville, N. C., advised us of a meeting of the anti-Communist group in the Broadwood Hotel in Philadelphia.

"Meetings of the Silver Shirts in Reading continued for around a year and a half and then ceased. I do not know

PH File - 105-2702

The files of the Philadelphia Office reflect that [redacted] a prolific letter writer and distributor of various types of anti-Semitic and anti-Negro literature, has been connected with the White Citizens Council (WCC). There is no information indicating the existence of a formal WCC organization in Philadelphia. In this connection, however, the "Philadelphia Tribune," a Negro newspaper, in its issue of 10/21/58, Page 1, Column 2, contained an article captioned, "Race Hate Fanatics Make Jews, Negroes Targets of Attacks." This article states that a "fanatical white segregation group has been organized in the heart of West Philadelphia with the aim of terrorizing and persecuting the Negro and Jewish citizens of this city." The article continues that the "Philadelphia Tribune" has learned through "extremely reliable sources" that an officer of the White Citizens Councils of the South has opened a branch headquarters in the vicinity of 44th and Locust Streets, an interracial community. From an apartment in this area, not further identified, the local "president" of the group reportedly has mailed out thousands of pamphlets and letters to white residents in which Negroes and Jews are defamed.

b6
b7c

The pamphlets urge that the reader join in the "race-hate organization" which has as its first mission the destruction of the National Association for the Advancement of Colored People (NAACP) in Philadelphia, and, secondly, the passage of legislation which would bring about segregation in local restaurants, theaters, hotels, public housing, and churches. The article states that while the group has little hope of achieving its two major objectives, it has, "nevertheless, managed to recruit several hundred members into the race baiting cult."

PH 105-4088

While the article failed to identify the local organizer or give the exact address of the WCC, it described the local organizer as a "diminutive, cringing, furtive man who moved into the West Philadelphia apartment about three years ago. Last year he reportedly ordered and received 100 White Citizens Council membership cards from Texas. He has, on occasion, also received large batches of membership cards from Alabama, Mississippi, and Georgia. This individual also reportedly receives copies of White Citizens Council periodicals from Jackson, Miss., which are described as "the most inflammatory of all which are permitted to go through the mails."

The article states further that several weeks ago, the local organizer placed a shingle outside his apartment house door proclaiming himself as the local representative for the National Association for the Advancement and Improvement of White People. Criticism by white and Negro residents of the neighborhood was so intense that he removed the shingle after allowing it to remain outside his apartment door for only one day.

In connection with the above, the Philadelphia Office, on October 23, 1958, through SA EDWARD A. SMITH contacted U. S. Post Office Inspector in Charge A. J. HARKINS on the above. He stated his office has received no information or complaints regarding literature being mailed which emanated from the area of 44th and Locust Streets. He stated he will advise this office immediately of any information whatsoever concerning this matter, particularly any data which identifies or will help to identify the local "president."

On 10/24/58, Officer MAX WEISS, of the "Gang Control Unit," Juvenile Aid Division, Philadelphia Police Department, was apprised of the above by SAs EDWARD A. SMITH and [redacted]. He stated that he had no information concerning the existence of the group at 44th and Locust Streets.

The report of 5/13/54 reflected that National Blue Star Mothers of America (NBSMA) mailing address was 5200 Warren Street, Philadelphia. The only reported activity consisted of opposition to the Community Chest and fluoridation of water. AGNES M. LEWIS, Corresponding Secretary, received correspondence from individuals and organizations which were anti-Semitic in nature and opposed universal military training and the United Nations.

Referenced report of 1/16/56 reflected that confidential informants had received no information that the NBSMA was then active.

On 10/20/58, [] who has furnished reliable information in the past and who receives literature from numerous pacifist-type organizations and has a wide knowledge of activities in the Philadelphia area, advised SA MARION B. Referenced report of SA MARION B. Instant report reflected that "the American Flag Committee Newsletter" had been temporarily suspended, and it was expected that the publication would be back in circulation by 12/57 or early 1958.

It is noted that the Philadelphia file concerning MAC FARLAND reflects that he is Executive Chairman of the American Flag Committee. The Philadelphia files contain no record of activity on his part or on the part of the American Flag Committee since referenced report of SA MARION B. HUMMEL.

On 10/21/58, [redacted] who has furnished reliable information in the past, advised SA MARION B. HUMMEL that informant had contacted W. HENRY MAC FARLAND, JR., on 10/20/58. MAC FARLAND advised that he had printed no issues of the "American Flag Committee Newsletter" for some time due to great financial reverses. He presently resides at 2834 Allman Street, Philadelphia. He stated that his father had recently died and, as a result, the family home on Granite Street was sold.

In regard to the National Blue Star Mothers of America and the American Flag Committee, trash covers are being placed on the residence of MAC FARLAND (AFC) and 5200 Warren Street, Philadelphia, (NBSMA) in an effort to determine present activities of these groups, if any. DETAILS:

The National Renaissance Party will be referred to in this report by the initials NRP.

LOCATION OF HEADQUARTERS

T-1 on October 22, 1958, advised that the NRP is run by JAMES MADOLE from his apartment at 10 West 90th Street, New York City.

An examination of the premises at 10 West 90th Street, New York City, by SA [redacted] on October 22, 1958, indicates that the NRP is listed on the same mailbox as JAMES MADOLE. This is apartment 8, 10 West 90th Street, New York City.

There are no listings for the NRP in current telephone directories for the City of New York.

It should be noted that literature disseminated by MADOLE bears the stamp of the NRP and gives its address as 10 West 90th Street, New York City.

DESCRIPTION OF LITERATURE

[redacted]
[redacted] in October, 1958, made available a copy of a pamphlet entitled, "Who Is The Real Enemy?" According to [redacted] this pamphlet was being passed out in the Kew Gardens area. The pamphlet is stamped on the back "National Renaissance Party, 10 West 90th Street, New York 24, New York".

This pamphlet discusses the role Jews have played throughout history and makes the charge that the Jews are

NY 105-6112

making use of the Negro peoples to degrade Americans and to "form a trained-ape red Mau Mau army to protect the Jews in case you wake up before its too late". The pamphlet concludes that the real enemy in America is the Jewish peoples and that the enemy capitol for many years has been New York and not Moscow.

Mr. A. O'REILLY, 111-10 75th Avenue, Forest Hills, New York, on October 17, 1958, made available a throwaway which he said was being distributed in the Forest Hills area. The back of this throwaway announces that more can be ordered from the NRP, 10 West 90th Street, New York 24, New York, at the rate of twenty-five copies for \$1.00. This throwaway is in comic strip form and tells the story of a white girl marrying a Negro boy. The result of the marriage according to the leaflet, was the birth of two children, one white and one black. The leaflet then goes on to show the embarrassing things this can bring about. The back of the leaflet is captioned, "Exposing the Perils of Racial Integration". Under this caption quotations are given from some leading statesmen, scientists and philosophers showing their viewpoints in regard to the "fundamental inequality of the Negro race". Quotations are included from ABRAHAM LINCOLN and THOMAS JEFFERSON.

On October 22, 1958, JAMES MADOLE was interviewed under a suitable pretext by a Special Agent of the Federal Bureau of Investigation, at which time MADOLE furnished copies of literature that he was passing out throughout the country in his role as leader of the NRP.

One of the items furnished by MADOLE was the August, 1958 issue of the NRP Bulletin. On its masthead this bulletin states that it is the official organ of the NRP devoted to a restoration of the American republic, a preservation of American sovereignty and the establishment of an American regime based on the principles of racial nationalism and social justice.

NY 105-6112

This issue consists ^{of} an article entitled, "Western Germany, A Slave Colony of Zionist Imperialism" by JAMES H. MADOLE. This article makes the charge that the Jewish people are attempting to dominate Western Germany and have engineered the weakening of Germany after World War II.

In a concluding paragraph the bulletin states as follows:

"The plot to destroy the Germanic people should surprise no one who is familiar with the atrocities committed by Jewish Zionists against the British during the Palestine mandate and the later slaughter of 800,000 Palestinian Arabs by the Israeli Army. The German people have become human robots, using their scientific and industrial genius to enrich and strengthen the State of Israel".

MADOLE also made available a copy of the pamphlet "Who Is The Real Enemy?", mentioned above. MADOLE explained that he distributes this pamphlet in an effort to recruit members for the NRP. MADOLE also made available the following items of literature he is distributing under NRP auspices:

1. A pamphlet entitled, "Communism and the NAACP". This pamphlet is published by the Georgia Commission on Education, 220 Agriculture Building, 19 Hunter Street, S.W. Atlanta 3, Georgia. The pamphlet outlines what it considers the Communist background of many of the national leaders in the National Association for the Advancement of Colored People (NAACP).

2. A pamphlet entitled, "Massacre of Arabs in Israel", by TOUFIQ TOUBI. TOUFIQ TOUBI is identified on the pamphlet as a member of the Israeli Parliament. The pamphlet concerns itself with a "massacre perpetrated at the Arab village of Kafr-Quassem inside Israel on October 29, 1956, the day Israel launched its military attack on Egypt. The front of the pamphlet bears the stamp of the NRP.

NY 105-6112

3. A throwaway leaflet which is a biography of President GAMAL ABDEL NASSER of the United Arab Republic.

4. "Israel and the Arab States" by SYBIL EYRE CROW, published by the Iraqi Embassy, 21 Queens Gate, London S.W. 7. This pamphlet deals with the problems of settling more than a million Arab refugees. It bears the stamp of the NRP on its front.

5. An advertising throwaway captioned, "Arab Nations Support Egypt's Arms Deal". On the back this throwaway has the stamp of the NRP.

6. A booklet entitled, "Threats and Intimidations" compiled by the Egyptian Information Department, 22 Solomon Street, Cairo, Egypt. This booklet bears the stamp of the NRP on the front and deals with the intervention of the British and French Governments in Egypt, and an interpretation of Article 33 of the Charter of the United Nations (UN) with respect to that intervention in the Suez Canal area.

7. A pamphlet entitled, "The Policy That Invited Soviet Russia to the Middle East" by IZZAT TANNOUS, MD. This booklet is originated by the Palestine Arab Refugee Office, 801 Second Avenue, Room 801, New York 17, New York. It also bears the stamp of the NRP. The bottom of this booklet states that the material has been filed with the Department of Justice where the required statement of the "Palestine Arab Refugee Office", registration number 897, is available for inspection. This booklet makes the point that "the Palestine tragedy which has made one million Palestinian Arabs homeless and destitute is at the root of the grave tension that prevails today in the Middle East".

The booklet also points out that the foreign policy of the United States in the Middle East had alienated the Arab people and compelled them to turn their faces to other directions. The concluding paragraph of this booklet states,

NY 105-6112

"It is a fact that the failure of the United States to take the lead in the implementation of United Nations resolutions -- resolutions which were of the making of the United States and which only gave the Arab refugees a fraction of their rights -- has driven a large number of the Arab people to look East for their salvation. The Soviets seized the opportunity and the tug of war is now in progress between East and West".

MADOLE, when interviewed under pretext, explained that he is distributing pro-Arab literature since he agrees with the Arab position in the Middle East. He stated that he and his organization are anti-Jewish and they feel they will distribute pro-Arab literature since both he and the Arabs are working in the same direction. He also made the statement that he was distributing literature from the Iraqi Government.

GENERAL ACTIVITY

The records of the Bureau of Special Services of the New York City Police Department were checked on October 22, 1958, by SA [REDACTED]. They indicated a meeting was held at Steinway Hall, 113 West 57th Street, New York City, sponsored by CHARLES SMITH, publisher of the magazine "The Truth Seeker". This was in general a meeting of racists and most of the speakers were highly critical of the Jewish peoples. JAMES MADOLE spoke at this meeting as a representative of the NRP. His speech was entirely devoted to anti-Jewish statements. Plans were made for another general meeting at which MADOLE would be the principal speaker. This meeting was to be held on November 14, 1958, also in Steinway Hall.

b6
b7c

T-1, mentioned above, on October 20, 1958, advised that JAMES MADOLE, the leader of the NRP, attended a meeting on October 10, 1958, at Steinway Hall, sponsored by "The Truth Seeker", an atheistic group headed by CHARLES SMITH.

NY 105-6112

In his speech MADOLE stated that the Jewish people were behind Communism. At the meeting SMITH announced that MADOLE would be the principal speaker at the next meeting of the group to be held on November 14, 1958. The informant advised that MADOLE evidently does not have any plans to hold public meetings of his own, but prefers to speak at meetings sponsored by "The Truth Seeker".

JAMES MADOLE, when interviewed under pretext as set forth above, stated that he did not plan any public meetings of the NRP since he found that people were afraid to associate themselves with the NRP after the United States Government had branded it "as subversive". He said that he found that he could go to meetings such as the one held at Steinway Hall and receive a better reception through this type of meeting than through one sponsored solely by the NRP.

MADOLE also stated that he does not hold any meetings in New York City of the NRP, with the exception of leadership meetings for leaders of the party which he holds in his apartment.

MISCELLANEOUS

T-1, mentioned above, on October 20, 1958, advised that in a discussion of the recent bombings of Jewish Temples MADOLE had stated that the persons behind these bombings were screwballs and were hurting the general nationalist movement. This source added that MADOLE has stated many times in the past that he does not want to get mixed up with any other groups. He also stated, according to T-1, that the NRP was opposed to violence.

MADOLE, when interviewed under pretext, stated that he was recently becoming involved in the segregation question because he felt that the Jews were behind efforts to have American schools integrated and that this integration would be harmful.

NY 105-6112

to the United States. MADOLE stated that he himself has never maintained any direct contacts with segregationists or similar type groups in the South and that he himself has never made a trip into the South nor does he plan one. He stated, however, that he would of course circularize his literature any place in the country. He stated that he has corresponded with leaders of the National States Rights Party in Louisville, Kentucky and elsewhere.

T-2 on July 1, 1958, furnished information indicating that on July 1, 1958, that JAMES MADOLE visited the United Arab Republic Delegation to the UN, 900 Park Avenue, and obtained a number of copies of a pamphlet entitled, "Ten Years" from [REDACTED]
[REDACTED]

T-3 on October 24, 1958, advised that neither JAMES MADOLE nor the NRP maintain any permits for bulk mailings in the New York City area. This source also advised that MADOLE does not maintain a post office box in the New York City area.

The records of the New York Times Morgue, 42nd Street and Broadway, New York City, were reviewed by SA [REDACTED] on October 22, 1958, and no additional information concerning NRP activities is mentioned in these files.

[redacted] and [redacted] [redacted] in the address of the National Renaissance Party (NRP) and JAMES MADOLE, its leader, appeared voluntarily at the NYO on 10/29/58, and were interviewed by SA [redacted]

They advised that JAMES MADOLE who resides at Apt. 8, 10 West 90th Street, for the past five weeks or so, has had people visiting him in his apartment and is apparently holding meetings there. [redacted] and [redacted] advised that they had overheard a conversation from MADOLE's apartment wherein one individual present in the MADOLE apartment discussed his own implication in the bombings in the South and said that he had been complimented for his work in these bombings. [redacted] and [redacted] at this time advised that they could not identify the individual who made these statements.

On 10/30/58, [redacted] was interviewed at the NYO by SAs [redacted] and [redacted]. [redacted] stated that he became concerned on the racial issue when he read in the newspaper about certain bombings in the South. He recalled that about one week after reading of these bombings in the newspaper [redacted] had told him that he had overheard someone talking in MADOLE's apartment about his part in a bombing in the South. [redacted] himself did not hear the conversation in question. [redacted] is unable to positively place the time of the conversation that [redacted] overheard, nor can he establish on what day of the week [redacted] overheard the conversation.

He did recall, however, that meetings were usually held in MADOLE's apartment on Thursday evenings and that these meetings seemed to have increased for about the last five weeks. It was [redacted] understanding that [redacted] did not see the man who made the statements in question, but told [redacted] that he had heard them through MADOLE's closed door.

On 10/30/58, [redacted] was interviewed by SAS [redacted] and [redacted]. [redacted] stated that about three weeks ago he became concerned over meetings that JAMES MADOLE was holding in his apartment [redacted]. He said he originally thought that MADOLE was connected with some national rental association, but then later learned that this was the National Renaissance Party, a racist group. He noted that meetings in MADOLE's apartment happened with greater frequency in the last five weeks, and that MADOLE seemed to be very busy, and he assumed that this was in connection with the IIR.

About three weeks ago, [redacted] recalled, there was a meeting in MADOLE's apartment and the conversation in connection with this meeting became loud and boisterous. [redacted] opened his door and stood in the hallway where he said he could hear the tenor of conversation in the apartment [redacted]. He understood that MADOLE's door was closed and he said that he did not see anyone in the apartment. He heard one voice which seemed to carry above all the others and which made statements such as "We did a good job down there in the South". From the tenor of the conversation [redacted] concluded that this one individual was seeking credit for some part he played in a bombing down South. This individual also made the statement that "When they did a bombing, no persons were hurt which was unlike the type of bombings the Jews did wherein persons were injured."

NY 44-108

[redacted] cannot recall with any greater detail the exact wording of this conversation but he received the clear implication that the man was claiming some sort of credit in connection with a bombing. He stated further that the man said that he was arrested but it was alright since his lawyer would get him out of it. [redacted] did not observe this individual nor is he sure that he could identify the voice again.

It is to be noted that [redacted] was interviewed at the NYO on 9/22/58, by SAs [redacted] and [redacted] in the company of [redacted] both of whom appeared at the NYO at their own request. During the above interview, [redacted] referred to [redacted]

[redacted]

[redacted]

[redacted] stated at this time that he had nothing to do with that bank robbery and in fact that [redacted]

[redacted]

It is further noted that during this interview [redacted] advised that he had been present at several meetings at the apartment of JAMES MADOLE at 10 West 90th Street, and in fact intended to attend a meeting scheduled at a future date in MADOLE's apartment.

During the interview of [redacted] he described an individual who was going to a meeting at MADOLE's apartment

[redacted]

The general description of this individual closely fits that of [redacted] It is also to be noted that [redacted] has previously informed the NYO that [redacted] is [redacted]

[redacted]

The NYO does not contemplate any further investigation with regard to the information originally furnished by [redacted]

and [redacted] In view of the non-specific nature of the information furnished by [redacted] and in view of the fact that he has not seen the individual in question it would not appear that further investigation would be fruitful in this matter. As is pointed out above, there is a strong possibility that the individual in question is [redacted] and is known [redacted]

MADOLE indicated that when he gets this material, he will write a bulletin dealing with the matter and will include his own theory to the effect that possibly the Jews themselves engineered the bombing to collect funds. He noted that they had already collected \$700,000.00.

MADOLE indicated that CHARLES SMITH of the "Truth Seeker" had paid for 400 postcards to advertise the November 4 meeting at Steinway Hall where MADOLE will be the featured speaker. MADOLE also indicated he had received a fair amount of money from his current issue of the National Renaissance Bulletin.

MADOLE stated that when [redacted] arrived there, they were drunk and one of them plunged at ROCKWELL and threw him against a wall. Later ROCKWELL commented to MADOLE "he's one I don't control". Informants advise Racist Forum held at Steinway Hall, NYC, Friday night on 11/14/58, from 8:15 p.m. to 10:45 p.m. Approximately 75 people attended, most of whom were of the "Truth Seeker" following. Yorkville "hoodlum" following of JAMES MADOLE apparently did not attend. Main speaker was JAMES MADOLE, leader of National Renaissance Party. MADOLE spoke for about two hours on his familiar theme of anti-Semitism. MADOLE described President EISENHOWER as a tool for the Jews in the US. Also hinted that the bombing of the Jewish synagogue in Atlanta, Georgia, was a plot by the Jews to raise money. Called the arrest of five persons in connection with this bombing a sham. MADOLE also claimed that a corporate form of government was inevitable in the US. Literature of MADOLE and National Renaissance Party passed out and sold at meeting. A collection was taken at the meeting and it is believed about \$25 was obtained. No unusual incidents.

The above is for information of the Bureau.

On 11/20/58 the confidential mail box of NRP made available to SA [REDACTED] the Sept - Oct. 1958 issued the NRP Bulletin entitled "The United Front Behind the Synagogue Bombing" by James Madole. To be filed as attachment to the serial.

THE UNTOLD FACTS BEHIND THE SYNAGOGUE BOMBINGS.
James H. Madole.

The dynamiting of a Jewish synagogue in Atlanta, Georgia on October 12, 1958 has set off a chain reaction extending from President Eisenhower in the White House to five unemployed American nationalists who are being legally crucified by Federal and state authorities seeking to appease the Jewish vote prior to the forthcoming Nov. elections. An unprecedented wave of publicity has swept the entire United States calling for the suppression of all "hate literature" (meaning any publication which has the temerity to criticize the un-American policies and activities of the Jew and his multi-million dollar propaganda agencies). Candidates for political office throughout the nation have outdone themselves in heaping abuse and vilification on the heads of Governors Faubus and Almond because of their courageous stand in opposing enforced racial integration as dictated by the Jewish dominated political appointees on the Supreme Court. These politicians, in order to gain Jewish gold and votes for their respective parties, have sought to equate the bombings with the anti-integration policies of Governors Faubus and Almond.

Lets analyze the facts. Have American nationalists actually resorted to force and violence in order to further their struggle against rising Jewish power in America? Which group of people has gained the most from the veritable epidemic of bombings and dynamitings which culminated in the Atlanta explosion of October 12, 1958? Lets examine all the facts in the case and then seek to reach a sound conclusion.

At least seven bombings of schools and synagogues, all of which demonstrated the handiwork of an expert dynamiter as well as perfect timing, have taken place in various parts of the South during the last year. Until the recent Atlanta bombing not a single clue had been turned up concerning the identity of the mysterious bombers. These acts of violence, highly reminiscent of the terrorist activities of the Irgun Zvai Leumi and the Stern Gang in Palestine during the British Mandate, were allegedly carried out by a mysterious, secret organization known as the "CONFEDERATE UNDERGROUND". According to the Jewish Press, the "Confederate Underground" is supposedly composed of fanatical segregationists and violent anti-Semites. Strangely enough, however, neither the local authorities nor the FBI have been able to uncover the slightest clue to the identity of this mysterious and highly elusive group of conspirators. The FBI, the Anti-Defamation League of B'nai B'rith and the local police in Southern communities report that their agents have infiltrated every segregationist and anti-Semitic organization in the areas where bombings have taken place BUT THEY ALL ADMIT THAT NO ILLEGAL ACTIVITIES OR "CONFEDERATE UNDERGROUND" HAVE BEEN DISCOVERED.

Apparently the Jewish press was perfectly content to use the dynamitings in Clinton, Nashville, Jacksonville, Miami and other Southern cities as a means of arousing hostility toward those Southern leaders who dared to speak out against the tyranny of the Supreme Court. In each case there was a brief spurt of publicity which sought mainly to rally the support of the Catholic and Protestant clergy behind the fundamentally Jewish-sponsored drive for complete racial integration throughout the American South. Clergymen were told that "racial bigots" who blew up Jewish synagogues today would certainly bomb Christian Churches tomorrow.

Despite this, however, no concerted effort was demanded by either the Jewish press or the major Jewish organizations to apprehend the perpetrators of these deeds until the advent of the Atlanta bombing on October 12, 1958. WHY? Was it strictly coincidence that this latest dynamiting in Atlanta just happened to coincide with the most decisive period of political campaigning prior to the November elections? Was it also coincidence that the JOINT DEFENSE APPEAL, the fund-raising service for the "JEWISH defense agencies" known as the ANTI-DEFAMATION LEAGUE OF B'NAI B'RITH and the American Jewish Committee, should choose this exact time to solicit \$5,600,000 from their fellow-Jews to combat alleged "anti-Semitism"? To prove our point we quote from the "NEW YORK HERALD TRIBUNE" of October 23, 1958 an article by reporter Judith Chris:

"Reports of bomb-threats and the wave of violence, bombings and "hate" literature around the country brought pledges of increased contributions to support the Joint Defense Appeal of the American Jewish Committee and the Anti-Defamation League of B'nai B'rith. At the JDA dinner at the Waldorf-Astoria last night, representatives from 19 cities promised increased allocations and three delegates from the largest communities pledged emergency funds to meet the organization's \$5,600,000 annual goal.

What about the \$200,000 worth of damage perpetrated on the synagogue erected by the Jews of Atlanta? Surely the Jews would have nothing to gain by blowing up their own house of worship. Lets study two very interesting news items concerning this matter. The first article is found on page 12 of the "NATIONAL JEWISH POST" of Oct. 17, 1958. The brief article is entitled, "BLAST PRECEDED DRIVE FOR FUNDS BY ONE DAY"

"Here are some interesting sidelights on the bombing of the Atlanta Temple...A campaign to raise \$750,000 for additional educational facilities at the Temple was to have been launched officially on Monday--THE DAY AFTER THE BOMBING. A wedding was scheduled to be held in the Temple the afternoon following the bombing. IT WAS SCHEDULED ELSEWHERE."

The second item of interest appears on page 1 of the October 31, 1958 edition of the NATIONAL JEWISH POST" under the caption, "BOMBED TEMPLE TRIES TO STOP FLOW OF GIFTS":

"THE bombed-out Reform Synagogue in Atlanta tried unsuccessfully last week to stem the flow of gifts, small and large, coming forward insistently and spontaneously. An avalanche of offers to help the temple with monetary gifts were discouraged by temple officials, WHO EXPLAINED THAT THE LOSS WAS COVERED BY INSURANCE."

In the very same issue of the "NATIONAL JEWISH POST" under the caption, "BRISCOE MEETING IN PEORIA HELD DESPITE TEMPLE BOMBING", on page 12, we find the following interesting item: "The scheduled appearance here of Robert Briscoe, Jewish former mayor of Dublin, went on without incident only a few hours following the bombing of Temple Anshal Emeth. THE MEETING WAS IN BEHALF OF ISRAEL BONDS. Rabbi Joseph Ginsburg said the blast damage was very minor, but added: "The moral and spiritual damage to our American way of life can be more expensive and far-reaching than the actual physical damage to the church".

Quite obviously the Jews were the only group to gain, both financially and politically, from the wave of dynamitings. No sane American nationalist could expect anything but the intervention of federal authorities and a veritable tidal wave of investigations and unfavorable publicity in the national press. The five chief victims of this federal inquisition in Atlanta have lost their meagre jobs as city clerks and truck drivers. At least one of these men, Chester Griffin, was kept awake and under constant questioning for FIVE days and nights while Federal and local authorities sought to force a confession from him. Lie detector tests were administered to these men but obviously proved negative SINCE LOCAL POLICE REFUSED TO DIVULGE THEIR FINDINGS. Eisenhower and the Republican Party chiefs have put pressure on the FBI demanding that a satisfactory scapegoat be found in order to appease the Jewish voters

prior to the November elections. COOPERATING IN THIS INFAMOUS SCHEME are certain notoriously pro-Jewish officials of the city of Atlanta. These political traitors have been kept in power for the last 20 years by the wealthy Jewish community of Atlanta. THE JEWS INTEND THESE OFFICIALS TO OPEN THE DOORS OF ATLANTA TO RACIAL INTEGRATION ONCE RESISTANCE HAS BEEN BROKEN DOWN IN VIRGINIA AND ARKANSAS. THEIR NAMES ARE MAYOR WILLIAM B. HARTSFIELD, POLICE CHIEF HERBERT JENKINS AND PROSECUTOR PAUL WEBB. They are part of the Jewish Fifth Column in the Deep South AND SHOULD BE RETIRED FROM PUBLIC OFFICE. THEIR TACTICS remind us of the Soviet Secret Police. We believe that once the elections are over these five Atlanta patriots will be released for lack of evidence.

In contrast to these five martyrs, none of whom has ever handled dynamite and all of whom were already under indictment for peacefully picketing the offices of Ralph McGill's pro-Jewish, "ATLANTA CONSTITUTION", what did the big Jewish organizations have to gain from these bombings? Let us carefully enumerate what they stood to gain:

1. The wave of bombings would cause national opinion to turn against the "massive resistance" of Governor Faubus of Arkansas and Governor Almond of Virginia and would bring about an open split between conservative and radical forces in the South. This move could split wide open the forces which are resisting the drive for racial integration sponsored by all Jewish organizations in the United States. Ralph McGill of the "ATLANTA CONSTITUTION", Herbert Lehman and many others are seeking to equate the dynamitings with the resistance to Supreme Court edicts by the two governors.
2. Because of the bombings pro-Jewish legislators are seeking to pass a law which would suppress all so-called "hate literature" by refusing publishers who dare to criticize the un-American policies of the Jew and his organizations their right to use the United States mail. THEY ARE SEEKING TO MAKE CRITICISM OF THE JEW OR HIS POLICIES A CRIME PUNISHABLE BY LAW. Such a law exists at present in the Soviet Union.
3. The bombings seek to cast disrepute on all individuals or groups which dare to oppose the Jewish-sponsored policy of breaking down all social, cultural, economic and sexual barriers between the races in America. Despite this the Jews are appropriating huge sums of money for the purpose of setting up segregated Jewish Schools wherein the doctrines of Jewish racial exclusiveness and fanatical Zionism are taught daily. Apparently racial integration is only good for White Gentiles. We see the results in a country like Brazil where a Jewish president, Joscelino Kubitschek, rules over a mongrelized population of half-castes. Nations like Brazil, India and the Caribbean Islands, made up of illiterate half-castes, are easily exploited by a parasitic race of merchants like the Jews.
4. The bombings have greatly increased Jewish contributions to their so-called, "defense agencies," the anti-Defamation League and the American Jewish Committee.
5. To bind together the ranks of American Jewry in the South. These Jews personally support racial integration for the Gentiles but they fear economic boycott and social ostracism by their Southern Gentile neighbors.

The attempt by Jewish leaders to undermine Governors Faubus and Almond by saddling these anti-integrationist leaders with responsibility for the Southern bombings can be seen in an article captioned, "SPREADING BIAS CITED BY LEHMAN", written by the Jewish reporter, Paul Tobenkin, for the "NEW YORK HERALD TRIBUNE":

"Former Senator Herbert Lehman said yesterday that those who advocate resistance to the law must share the moral responsibility for recent bombings and vandalism against synagogues with the actual culprits. Mr. Lehman, characterizing civil rights as "the

most critical domestic problem we have", declared that "the rights of every American hang on the outcome". He said: "The recent incidents of terror, violence and vandalism against Jewish synagogues show the true nature of some of the extremist elements opposing civil rights. Whoever the immediate culprits are in these bombings, and I trust they will be brought to justice, the moral responsibility for these acts must be shared not only by all those who preach racial hate and discrimination, but by all who advocate overt resistance, massive or otherwise, to the rule of law."

Mr. Lehman fails to point out that the "LAW OF THE LAND" as dictated by Earl Warren's Supreme Court is actually the "LAW OF THE JEW". Our great nation was founded in a bloody revolution against unjust laws in whose formulation the American people had no say. Mr. Warren is a student of Talmudic Law who graduated with honors from the Jewish Theological Seminary under the tutelage of Rabbi Louis Finkelstein. WE STRONGLY SUGGEST THAT EARL WARREN AND HIS EIGHT COMRADES MOVE THEIR SUPREME COURT TO ISRAEL WHERE THE KOSHER STENCH EMANATING FROM ITS DECISIONS WILL BE LESS NOTICEABLE

To prove that American Jewry and its organizations are the financial and intellectual backbone of the movement for racial integration we shall point out some of their recent statements and activities: (Quoted from article captioned, "Leading NATIONAL JEWISH ORGANIZATION CRITICIZES IKE FOR FAILING TO LEAD ANTI-SEGREGATION FIGHT", appearing on pg. 2 of "NATIONAL JEWISH POST" of Oct. 10, 1958):

"President Dwight D. Eisenhower was criticized this week by a leading national Jewish organization for failing to provide leadership and to employ the prestige of his office to support the Supreme Court's ruling against segregation. The National Community Relations Advisory Council (NCRAC) in a sixth annual joint program plan for Jewish Community relations challenged the President for not offering the leadership that might have encouraged many persons in the South interested in orderly compliance to unite effectively to achieve it."

The "AMERICAN EXAMINER" of October 16, 1958, pg. 6, carries further details of the NCRAC Conference as follows: "Intervention of state authority to prevent local school districts from desegregating is assailed in the statement. The civil liberties of all Americans are threatened, the statement declares, by the efforts in some Southern states to outlaw the National Association For The Advancement of Colored People (NAACP)...The statement stresses the injustices and dangers in housing and discrimination. "There is a manifestly great and urgent need," the statement says in this regard, "to bring the attitudes of the Jewish community as a whole more closely into conformity with the principles of equality to which it is committed through its agencies and even greater need for voluntary action by religious, civic, racial, ethnic and other groups to develop effective programs FOR MOVING TOWARD ACCEPTANCE OF RACIALLY INTEGRATED NEIGHBORHOODS."

Thus speaks the NCRAC which represents six major Jewish organizations and 43 Jewish community councils in 43 different American cities and towns. We find that all supposedly Negro organizations agitating for racial integration are dominated by Jewish interests. Thus the infamous NAACP is controlled by the Jew, Arthur Spingarn, the NY State Committee Against Discrimination (SCAD) is controlled by the Jew, Charles Abrams and the National Urban League is controlled by the Jew, Joseph Lewis, The former president of the Urban League was the Jew, Theodore Kheel.

Let us examine briefly how these Jewish organizations have successfully brainwashed our American youth by gaining complete control of both the clergy and the public school system. The following excerpts are taken from the REPORT OF THE 44th ANNUAL MEETING OF THE AMERICAN JEWISH COMMITTEE IN 1951: (From PAGE 61) "Our primary objective, therefore, must be a definite program of education in human relations, or what we call "intergroup education". Because we must change human attitudes toward Jews and others, and in order to do so, we must promote a better and

Fuller understanding of all peoples and all groups, including Jews, and inculcate a respect for differences and a conviction that difference does not imply inferiority." (FROM PAGES 63-64) "We must also, in the coming year, implement the recommendations that came out of the White House Conference on Children and Youth...Its object is to examine the situation in America as it related to children and youth during the previous decade and to chart a course for the next 10 years...When our cooperation was invited, we proposed to the architects of the Conference program that the relation of prejudice and discrimination to the personality health of children be made a major item in the discussions...An interesting and important by-product of this is worth noting, namely, that every time the word "church" was mentioned in the Conference Report, the word "synagogue" was bracketed with it; and "Christianity" was never mentioned alone; it was always the "Judaean-Christian" civilization."

(FROM PAGES 69-70) "We have also been able to make some decided advances in the elimination of hostile reference in the Christian textbooks and lesson books relating to the Crucifixion story and to modern Jewish life. You are unquestionably aware of the profound and deleterious influence that such references have had in the past on the impressionable minds of children. Twelve years of work with Protestant books and lesson materials have yielded major dividends. Today, 85% of the non-fundamentalist Protestant texts are free of negative references to the Jew...We have made considerable progress in providing Catholic parochial and teacher-training schools with an understanding of Jewish religious history and Jewish cultural contributions to America. In New York City we (the American Jewish Committee) are helping edit an intercultural syllabus which WILL BE USED IN THE CATHOLIC PAROCHIAL SCHOOLS."

The above statements were taken verbatim from the 1951 REPORT of the American Jewish Committee to its financial contributors. Those responsible for such a diabolically conceived plan to brainwash America's children would certainly be able to appreciate the propaganda value in demolishing a few well insured Jewish temples in order to capture the sympathy of the entire American public for the cause of racial integration.

WESTERN GERMANY, A SLAVE-COLONY OF ZIONIST IMPERIALISM.
James H. Madole

Were six million Jews actually exterminated in German concentration camps during the twelve years in which Adolf Hitler ruled the Third Reich or is this gory tale merely the usual atrocity propaganda stirred up by all major participants in world conflicts? We must remember the horror stories fed to the American public in World War I concerning German soldiers spearing Belgian children on their bayonets and still other Germans who were allegedly engaged in the strange and unpleasant task of hacking off the breasts of young Belgian women. These ridiculous tales led to the actual lynching of several German-Americans in the Middle West and to economic boycott of stores owned by Americans of Germanic descent in the United States. When the war ended both sides were forced to admit that these war-time atrocity stories were merely designed to stir up the masses and increase hatred toward a war-time enemy.

The Jews, however, have found it extremely lucrative to maintain the gigantic swindle of atrocities committed by the German people against the Jewish race. Each year World Jewry forces Western Germany to pay the sum of \$110,000,000 in reparations to the state of Israel. The entire Israeli merchant marine was built by the sweat of German labor in West German shipyards. Foreign Jews who never resided in Germany can go to a German Compensation Court and apply for personal indemnification for alleged financial or property loss suffered by his alleged relatives during the Hitler regime. He will almost always have his claim honored because most of the official records were destroyed in the war and only judges favorable to Jewish claimants are permitted to serve on the Indemnification Courts. THIS LATTER FACT WAS STATED IN THE 1957 EDITION OF THE "AMERICAN JEWISH YEARBOOK". Thus Germany has become a vast slave labor camp in the service of its Zionist masters. German corporations are nearly all owned by foreign stockholders, a complete listing of whom is in the hands of the National Renaissance Party.

Let us examine the facts of history closely. The Jewish race has been hated, reviled and driven out of nearly every nation in the civilized world at one time or another. History records that the Jews were expelled from Great Britain in the 12th Century, from France in the 14th Century, from Spain and Portugal in the 16th Century and from Germany, Egypt, Syria and Iraq in the 20th Century. Now we understand that anti-Jewish feeling is even arising behind the Iron Curtain in Soviet Russia and her satellites. Obviously Adolf Hitler had no monopoly on anti-Jewish sentiment. WHY WERE THE JEWS HATED IN PRE-HITLER GERMANY? WAS THERE ANY JUSTIFICATION FOR HITLER'S VIOLENT ATTACKS ON THE JEWS? We shall study the official German government documents turned out by the Fichte Bund to find the answer to these important questions. These documents show a marked similarity between events in the pre-Hitler Weimar Republic and events in modern America:

FROM "THE TRUTH ABOUT THE JEWS IN GERMANY" (by Fichte Bund):

"Owing to her geographical situation, Germany has always attracted to herself a larger proportion of the flood of Jewish emigration from the East than any other country. Up to the early part of the 18th Century legislative provisions prevented the Jewish immigrants from exercising any influence upon conditions in Germany. When these were repealed the Jews were enabled to enlarge their hold upon the econ-

omic, political and spiritual life of the country to an ever increasing extent; and although their advance was slow, it was also exceedingly steady. No change took place in this situation until the close of World War I. At that time some 600,000 Jews were resident in Germany, which equals 1% of the total population. In the neighboring country of Poland there were another THREE MILLION of them, forming 10% of the Polish population."

"After the war had terminated, the distress prevalent in Eastern Europe, induced large numbers of Jews to cross the German frontiers and take up their residence in Prussia, where a Mr. Badt--himself a Jew, managed to obtain an official position enabling him to control all matters relative to immigration and naturalization. He saw to it that his co-racials secured easy access to the country, while during this same period the Western European nations were imposing far-reaching restrictions on immigration. Thus Jews who had entered Germany from the East found it impossible to move farther West. They began to concentrate in the big German cities and organized from there the systematic disintegration of the German people. A few statistics may be helpful to show the extent to which these alien residents gradually succeeded in spreading their influence upon important professions and in various allied domains. Bear in mind Jews constituted only ONE PERCENT of the population:

PROPORTION OF JEWISH UNIVERSITY TEACHERS:

1. UNIVERSITY OF BRESLAU (1932)
Faculty of Arts---25% Jews Faculty of Law---48% Jews
 Faculty of Medicine---45% Jews
2. UNIVERSITY OF GOTTINGEN (1928)
Faculty of Mathematics & Natural Science--23% Jews
Faculty of Medicine---34% Jews
Faculty of Law---47% Jews

PROPORTION OF JEWISH ATTORNEYS-AT-LAW

- | | |
|--------------------------|---------------------------------|
| 1. DORTMUND---29% Jews | 5. STETTIN---36% Jews |
| 2. HAMBURG---25% Jews | 6. KARLSRUHE---40% Jews |
| 3. STUTTGART---26% Jews | 7. BEUTHEN---60% Jews |
| 4. DUSSELDORF---33% Jews | 8. FRANKFORT-ON-MAIN---64% Jews |

JEWISH INFLUENCE ON THE GERMAN THEATRE & FILM INDUSTRY:

"In 1931 some statistics relative to the conditions in the theatrical world were published. Out of the 234 theatrical managers concerned, 50.4% were Jews. As regards Berlin theatres only, the corresponding proportion was 80%. Not less than 75% of all the plays performed during the years immediately preceding the advent of the Hitler Government were written by Jewish authors."

THE JEWISH ELEMENT ON THE STOCK EXCHANGE:

"The proportion of Jews on some of the committees of the Berlin Stock Exchange was:

1. STOCKS and SHARES -- 69% Jews
2. PRODUCE EXCHANGE -- 75% Jews
3. INTERNAL ADMINISTRATION -- 80% Jews
4. METAL EXCHANGE -- 83% Jews
5. BUSINESS IN "FUTURES" --83% Jews
6. OFFICIAL LIST OF STOCKS & SHARES -- 87% Jews

THE JEWISH ELEMENT IN GERMAN POLITICS (1919-1933):

"The Jews devoted particular attention to the task of winning over the masses of the German workers. In doing so, they achieved considerable success through the instrumentality of the Marxist doctrine, set up originally by the Jew, Karl Marx. Another Jew, Ferdinand Lassale, was the founder of the Social Democratic party. The founders of the Independent Socialist party were also Jews, and so were the leaders

of the German Communist party. Jews were represented on the official press bureaus, on the editorial chairs of the papers published by the political parties and, above all, in the various parliaments of the German States. In 1928, the Social Democratic party was entitled to 39 representatives in the committee of the Reichstag; 38 of them were Jews. As regards the lecturers in the Workers' Educational Institutes, 81% of them were Jews. The "DAILY MAIL" (a London newspaper), in its issue of July 10, 1933 stated:

"The German nation, moreover, was rapidly falling under the control of its alien elements. In the last days of the pre-Hitler regime there were twenty times as many Jewish government officials in Germany as had existed before World War I. Israelites of international attachments were insinuating themselves into key positions in the German administrative machine."

WE CONTINUE QUOTING FROM THE FICHTE BUND DOCUMENT: "The more the Jews were able to extend this advance by their skillful machinations, the more was the German people infected with the Communist virus, which was mainly introduced by the Jewish immigrants. At the same time the foundations of economic morale were sapped. The ordinary conceptions of commercial honesty were undermined by the dishonest and fraudulent methods extensively employed by Jewish profiteers. Bribery, corruption and immorality continually gained ground in public life, causing the moral disintegration of the whole people. The setting fire to the Reichstag building in February, 1933 was intended to serve as the signal for the Jewish-Bolshevist revolution carefully prepared for years. At that time the fate of the German people was literally in the balance; and it is due to Adolf Hitler that a calamity was averted that would have involved Germany in an agony of misery."

"Sworn enemies of the German people pretend to infer from the statistics published above that the Jews exceed the Germans in ability. As regards their ability to push themselves forward, this assertion is certainly correct. The Jews possess a pronounced racial egotism. If the Germans had always stuck together as firmly as the Jews do, these conditions could never have arisen

(END OF FICHTE BUND DOCUMENTATION)

We find that Jewish penetration of American political, economic and cultural life runs a close parallel to the description of life in the Weimar Republic prior to the advent of the Hitler regime. Were the German Jews really murdered by the Nazi Government or have the big Jewish organizations concocted the most colossal swindle in the history of the human race? We shall let the Jews, themselves, tell us what happened to the bulk of German Jewry, numbering less than 600,000 when Hitler rose to power in 1933. We quote from the Jewish newspaper, "JUDISCHE WOCHENSCHAU", of Buenos Aires, Argentina, the issue of September 16, 1955.

"The following is a breakdown of Jewish emigration from Germany during the Hitler period:

- | | |
|---------------------------------------|--------------------------------|
| 1. United States -- 200,000 Jews | 7. Australia -- 12,000 Jews |
| 2. Israel or Palestine-- 120,000 Jews | 8. South Africa -- 10,000 Jews |
| 3. Great Britain -- 50,000 Jews | 9. France -- 8,000 Jews |
| 4. Argentina -- 40,000 Jews | 10. Uruguay -- 6,000 Jews |
| 5. Brazil -- 17,000 Jews | 11. Belgium -- 4,000 Jews |
| 6. Chile -- 15,000 Jews | 12. Sweden -- 3,000 Jews |

In addition to the figures for emigration of German Jews listed above, at least 23,000 Jews lived throughout the war in Nazi Germany. In late 1944 the Jews of Warsaw, Poland, fully armed with modern war material, launched an offensive against Nazi troops who were holding the Vistula River line against the onrushing Soviet Army. At least 70,000 Jews and Polish partisans were killed in this battle. The Jews were led by the Polish partisan commander, General Bor. HOW COULD THESE JEWS HAVE BEEN EXTERMINATED DURING 5 YEARS OF NAZI RULE IN POLAND WHEN THEY WERE ABLE TO LAUNCH A FULL-SCALE MILITARY OFFENSIVE AS LATE AS 1944?

Although the Hitler regime restricted Jewish dominance in German political and professional life there was no massacre of Germany's Jewish population. At the end of hostilities we found the same old Jewish leaders and agitators trooping back to continue their interrupted exploitation of the German people. The Jews decided to punish, if not totally destroy, the German people for exposing their vicious activities to the world. We now quote from the book, "GERMANY MUST PERISH", by Theodore Kaufman (pgs. 86-88):

"There remains now but to determine the best way, the most practical and expeditious manner in which the ultimate penalty must be levied upon the German nation. Quite naturally, massacre and wholesale execution must be ruled out. There remains then but one mode of ridding the world forever of Germanism--and that is to stem the source from which issue those war-lusted souls, by preventing the people of Germany from ever again reproducing their kind. This modern method, known to science as Eugenic Sterilization, is at once practical, humane and thorough. The population of Germany is about 70,000,000 almost equally divided between male and female. To achieve the purpose of German extinction it would be necessary to only sterilize some 48,000,000--a figure which excludes, because of their limited power to procreate, males over 60 and females over 45....Of course after complete sterilization, there will cease to be a birth rate in Germany. At the normal death rate of 2% per annum, German life will diminish at the rate of 1,500,000 yearly...The consequent gradual disappearance of the German from Europe will leave no more negative effect upon that continent than did the gradual disappearance of the Indians upon this. A detailed program of the manner in which the outraged victims of Germanic onslaught might make certain that Germany leaves no gap might be put hypothetically:

1. Immediately and completely disarm the German Army and have all armaments removed from German Territory.
2. Place all German utility and heavy industrial plants under heavy guard, and replace German workers by those of Allied nationality.
3. Segregate the German Army into groups, concentrate them in severely restricted areas, and summarily sterilize them.
4. Organize the civilian population, both male and female, within territorial sectors and effect their sterilization.
5. Divide the German Army, after its sterilization has been completed, into labor battalions, and allocate their services toward the rebuilding of those cities which they ruined.
6. Partition Germany and apportion its lands.
7. Restrict all German civilian travel beyond established borders until all sterilization has been completed.
8. Compel the German population of the apportioned territories to learn the language of its area, and within one year to cease the publication of all books, newspapers and notices in the German language, as well as to restrict German-language broadcasts and discontinue the maintenance of German language schools.
9. Make one exception to an otherwise severely strict enforcement of total sterilization, by exempting only those Germans whose relatives, being citizens of various victor nations, assume financial responsibility for their emigration and maintenance and moral responsibility for their actions."

Was Kaufman's fiendish plan for the complete extermination of the Germanic people the mere ravings of a Jewish crackpot or was it the implementation of actual policies drawn up by World Jewry? Let us study the reaction of the American press to this deliberately planned genocide.

1. "NEW YORK TIMES" (owned by the Jewish Sulzberger family)- "A plan for permanent peace among civilized nations."
2. "WASHINGTON POST" (owned by the Jew, Eugene Meyer)-"a provocative theory--interestingly presented"
3. "TIME MAGAZINE" (owned by the Luce family)-"A SENSATIONAL IDEA".

General Eisenhower, the tool of Franklin D. Roosevelt and Barney Baruch, was called upon to carry out a systematic plan to destroy Germany. We quote from page 2637-38 of the booklet entitled, "INTERLOCKING SUBVERSION IN GOVERNMENT", published by the Government Printing Office in 1956:

"On August 7, 1944, at approximately 12:35 P.M., in a tent in Southern England, the Morgenthau Plan was born. Actually, it was General Dwight D. Eisenhower who launched the project..Eisenhower made the statement that actually sparked the German hardship plan. He said he thought the Germans had punishment coming to them: "the ringleaders and the SS troops should be given the death penalty without question, but punishment should not end there." He felt the people were guilty of supporting the regime and that made them a party to the entire German project, and he personally would like to "see things made good and hard for them for a while." He pointed out that talk of letting Germany off easy, after taking due care of the top people, came from those who feared Russia and wanted to strengthen Germany as a bulwark against any desires for expansion which Russia might some day have. On the other hand, he (Eisenhower) did not personally think that Russia would want anything "BECAUSE SHE NOW HAS ALL SHE CAN DIGEST, AND SHE HAS PROBLEMS OF HER OWN WHICH WILL KEEP HER BUSY UNTIL LONG AFTER WE ARE DEAD."

The plot to physically destroy the Germanic people should surprise no one who is familiar with the atrocities committed by Jewish Zionists against the British during the Palestine Mandate and the later slaughter of 800,000 Palestine Arabs by the Israeli Army. The German people have become human robots using their scientific and industrial genius to enrich and strengthen the state of Israel. They live under the whiplash of Zionist taskmasters and their wages are siphoned off in the form of taxes and a high cost of living which dwarfs even our own misery in the United States. To know the JEW IS TO HATE THE JEW. ORGANIZE FOR ACTION TO FREE AMERICA.

He stated that a meeting of the "Racist Forum", conducted by CHARLES SMITH of the "Truth Seeker" magazine, was held in Room 601, Steinway Hall, West 57th Street, on 11/14/58. He stated that SMITH opened this meeting about 8:15 and then spoke for about ten minutes concerning his Nordic theory and his views on racism. He stated these meetings would be held the second Friday of each month. SMITH then introduced JAMES MADOLE, leader of the National Renaissance Party, who spoke for about two hours.

MADOLE stated that it is obvious that the FBI and Agents for them are attempting to frame the five Nordic boys for the Atlanta temple bombing. MADOLE stated they are innocent and will never be tried, but if they are tried, they will be found not guilty. He stated that this bombing was very profitable for the Jews and millions of dollars were collected, although the actual damage was about \$30,000. MADOLE stated that the corporate state is inevitable in this country and he praised ADOLF HITLER. MADOLE also gave his usual anti-Semitic speech concerning the Jewish plot in the United States which is directed against all non-Jews.

WESTBROOK to one Mr. MADOLE of the National Renaissance Party. These letters are as follows:

1. Undated letter from CHARLES WESTBROOK to Mr. MADOLE, thanking him for LeBlanc pamphlets. Letter indicates WESTBROOK was National Renaissance Party, Georgia Chairman, and that he was distributing pamphlets to his mailing list and also to the local libraries. WESTBROOK further indicated that he was working on the "STONER" group (apparently referring to J. B. STONER, leader of the Christian Anti-Jewish Party); however, indicated unable to make contact with them, nor had he been able to obtain or learn anything about membership of the Christian Anti-Jewish Party. WESTBROOK indicates that when STONER makes another speech in Chattanooga, Tennessee, he will photograph members identified by their arm band, and will attempt to identify those persons and make contact by that means. WESTBROOK also indicates that one LLOYD FRICKE has assured WESTBROOK of support toward starting a party branch in New Orleans and instructed WESTBROOK to write to one KENT COURTNEY. WESTBROOK also requests a bulletin on racial segregation when it is printed, and indicates that he forwarded samples of literature distributed by various Southern groups on segregation.

2. Letter of CHARLES WESTBROOK dated February 13, 1955, addressed to JAMES H. MADOLE, National Director of the National Renaissance Party. In this letter WESTBROOK identifies himself as the Georgia Party Chairman of the National Renaissance Party - Elite Guard. WESTBROOK states that he has been in contact with EDWARD REED FIELDS; however, contemplates discontinuing further contact with FIELDS, because FIELDS attempted to win WESTBROOK away from the National Renaissance Party, so that he might join the Christian Anti-Jewish Party. FIELDS, according to WESTBROOK, indicated that WESTBROOK belonged to another political party which has no working agreement with the Arch Leader of the Christian Anti-Jewish Party, therefore, he cannot give him any information. Secondly, FIELDS indicated to WESTBROOK that he has full knowledge of the National Renaissance Party's official policy, and that it is too weak on the Jewish problem. WESTBROOK comments that if FIELDS has full knowledge of the National Renaissance Party's basic problem, he must not understand articles in the basic program, as they are as strong as you can get on the Jewish problem. WESTBROOK stated that FIELDS

only wants to send all Jews to Palestine. WESTBROOK further advised that he thought the Christian Anti-Jewish Party organization just talks, and further he had never heard of this Christian Anti-Jewish Party group except for a small item in the Chattanooga paper wherein it was reported that one J. B. STONER made a speech on the Courthouse steps. WESTBROOK also indicated that he was enclosing with his letter a drawing of a pistol stock, and stated he would like to know if the elite guard has one, and if so, would it be possible for WESTBROOK to borrow it. WESTBROOK stated he was continuing to contact persons whose addresses MADOLE had previously forwarded to them.

3. Letter dated March 1, 1955, to Mr. MADOLE, which acknowledged receipt of MADOLE's letter of February 27. WESTBROOK comments regarding the difficulty in winning some of STONER's followers over to "us", and that he desired instructions on the basic methods to go about this conversion. WESTBROOK indicated that MADOLE thought STONER's followers could be used for the common good of the National Renaissance Party, just as well as the Christian Anti-Jewish Party. WESTBROOK further advised that FIELDS had indicated they had membership of the Christian Anti-Jewish Party in Atlanta, Chattanooga, and Birmingham areas. WESTBROOK indicates that he has corresponded with a Mrs. SANDERS in Pennsylvania on two occasions, and that she had informed him she was planning on working with a group in Philadelphia. Mr. LLOYD FRICKE, JR., has contacted WESTBROOK, and WESTBROOK is attempting to contact COURTNEY in New Orleans. FRICKE has promised WESTBROOK his support, and if he can obtain the assistance of COURTNEY, should not find it too difficult to establish a New Orleans Branch of the National Renaissance Party. Further, WESTBROOK requested the Southern Chairman's name and address, of the National Renaissance Party.

4. Letter dated May 13, 1955, to Mr. MADOLE. WESTBROOK, in this letter, states that he can report progress toward organizing; also indicates that he is in contact with the Southern Nationalists whose addresses were previously furnished to him by MADOLE. Three of these addresses were located in Atlanta, Georgia. WESTBROOK indicates that he still has been unable to contact members of STONER's Christian Anti-Jewish Party. WESTBROOK requested from MADOLE books on wire tapping, and a list of the

equipment necessary for tapping phone wires. WESTBROOK inquires regarding one HANS SCHMIDT.

A review of pertinent indices, Atlanta Office, regarding the Christian Nationalist Crusade, reflect that on June 8, 1958, Mr. EMORY S. BALDWIN, Chief, Legal Branch, U. S. Army Engineer Corps, Atlanta, Georgia, advised that he had been contacted by one Mrs. MAX ANDREWS, 693 Sunny Brook Drive, Decatur, Georgia, and that she furnished him a leaflet and requested his presence at an organizational meeting of a group known as the Christian Nationalist Crusade. Mr. BALDWIN advised that later in June of 1958, he had been contacted again by Mrs. ANDREWS, at which time she indicated her efforts at organizing a group in behalf of the Christian Nationalist Crusade had met with little success.

The Atlanta Office of the FBI on October 23, 1958, received an undressed letter in an envelope which letter was captioned "Atlanta Scandal". The contents of this paper purportedly were written by GERALD L. K. SMITH, and states as follows:

"A very disturbing report has come to my desk. Five young patriots in the State of Georgia decided that they had their stomachs full of Jew-created, Jew-slanted news stories concerning what is going on in the world. Two of the worst newspapers in the United States are in the City of Atlanta. They do not reflect the Southern tradition. It is believed by many keen observers that both of these journals are manipulated by people who do not have the best interests of the South at heart.

"These five young men, representing a body of patriots, decided to picket these newspapers with signs protesting Jewish influence. They were picked up, railroaded, and sentenced to 30 days in jail. I have the names and addresses of the young men, but I am not going to give them to the public because I do not want them to be the victims of increased persecution. It is my understanding that they were released under bond and are appealing their cases. We propose to go into the matter thoroughly and if the situation is what it seems to be, we shall advise our friends to come to their aid, comfort and encouragement of these young men who have only been denied their civil liberties, but have become the victims of Jew-controlled tyranny.

AT 62-1673

"Atlanta is a bad city. It has many bad people in it. The politicians in that city are inclined to be the puppets of the secret Jewish machine. Do not judge the State of Georgia by what goes on in the City of Atlanta. The politicians of Atlanta have always fought the Talmadges and the people who have come to the defense of Southern tradition. Very frequently the Negro politicians of Atlanta are under the direct manipulation of New York Jews as well as Atlanta Jews.

Madole spoke, as scheduled, about the Jews. In his report he mentioned being at a meeting (he did not say where or when this meeting took place) which was attended by three Arabs. He said that he had had a conversation with the Arabs concerning the Jewish question. During the course of the speech Madole spoke of the recent bombings of Jewish temples in Atlanta, which he attributed to the Jews themselves for political and financial gain. He also touched briefly upon the bombing in Peoria. He laughed at the crudeness of the stove-pipe bomb used in that instance. Towards the end of his talk Madole became quite emotional when he began talking about democracy and totalitarianism. It seems that he doesn't think very much of our democratic way of life.

This meeting was fairly crowded. Madole estimated between 70 and 80 people. Fewer Jews than last time. [REDACTED] did not show up. Neither did the three fellows you said might be brothers. Smith again said that he was a member of the N.S.R.P, and boasted of knowing [REDACTED] and others of the party. I got the impression that Smith was trying to let everyone know that he was just as important as Madole in the Racist field.

SYNOPSIS:

National Renaissance Party (NRP) distributed September - October, 1958, Bulletin entitled "The Untold Facts Behind The Synagogue Bombings". In the Bulletin, JAMES MADOLE, leader of NRP, charges that the Jews in the U.S. profited financially from the bombing in Atlanta, Georgia, on 10/12/58. MADOLE was main speaker at a "Racist Forum" held in NYC, 11/14/58. He insinuated in his speech that the Jews in the U.S. engineered bombings of their synagogues for financial gain. "Racist Forum", co-sponsored by Atheistic publication "Truth Seeker" and is planned to be held on a monthly basis. NRP headquarters remain in the apartment of JAMES MADOLE at 10 W. 90th St. NYC.

PUBLICATIONS

T-2, on November 20, 1958, made available the September - October, 1958 issue of the NRP Bulletin entitled

NY 105-6112

"The Untold Facts Behind The Synagogue Bombings" by JAMES MADOLE. The masthead of this Bulletin states that it is the "Official organ of the NATIONAL RENAISSANCE PARTY devoted to a restoration of the American Republic, the preservation of American sovereignty and the establishment of an American regime based on the principles of racial nationalism and social justice". In this issue of the Bulletin, MADOLE states that the dynamiting of a Jewish synagogue in Atlanta, Georgia, on October 12, 1958, prompted American politicians to step into this racial picture and to suppress what has been called "hate literature". MADOLE states that these politicians, "in order to gain Jewish gold and votes" have sought to "equate the bombings with the anti-integration policies of Governors Faubus and Almond". MADOLE charges that the "Jewish press" used the dynamitings in the South as a means of arousing hostility towards southern leaders who threatened to speak out against integration. As a result of these bombings, MADOLE charges the Jews were able to institute a campaign to raise some \$750,000.00 to restore the temple in Atlanta.

GENERAL ACTIVITIES

A. "Racist Forum"

T-3, on November 15, 1958, furnished information concerning a "Racist Forum" which was held at Steinway Hall, 113 West 57th Street, New York City, on Friday evening, November 14, 1958. This meeting was sponsored by an Atheistic publication called "The Truth Seeker" and was to feature JAMES MADOLE, leader of the NRP, as the main speaker. About seventh-five people attended the meeting, most of whom appeared to be of the "Truth Seeker followers". MADOLE spoke for about two hours on the general topic of anti-Semitism. He described President EISENHOWER as a tool of the Jews in the United States. He insinuated that the

NY 105-6112

bombing of the Jewish synagogues in Atlanta, Georgia, was a plot by the Jews to raise money and to curry political support. He called the arrest of five people in connection with these bombings "a sham". MADOLE also claimed that the present form of government in the United States should be replaced by a "corporate form of government" and that this step was really inevitable. At this meeting, [redacted] a follower and close associate of MADOLE, was passing out literature which bore the stamp of the NRP and was selling copies of the NRP Bulletin. According to information furnished by this informant, these "Racist Forums" were to be held in the future on a monthly basis. It is informant's opinion that MADOLE prefers to have the "Truth Seeker" arrange the meetings since in that way he can save some of his NRP money for other things and still have a public meeting place.

About two weeks prior to the date of this interview, [] recalled there was a meeting in MADOLE's apartment, and in loud voices, those present were talking about the bombings down South. THE UNTOLD FACTS BEHIND THE SYNAGOGUE BOMBINGS.
James H. Madole.

The dynamiting of a Jewish synagogue in Atlanta, Georgia on October 12, 1958 has set off a chain reaction extending from President Eisenhower in the White House to five unemployed American nationalists who are being legally crucified by Federal and state authorities seeking to appease the Jewish vote prior to the forthcoming Nov. elections. An unprecedented wave of publicity has swept the entire United States calling for the suppression of all "hate literature" (meaning any publication which has the temerity to criticize the un-American policies and activities of the Jew and his multi-million dollar propaganda agencies). Candidates for political office throughout the nation have outdone themselves in heaping abuse and vilification on the heads of Governors Faubus and Almond because of their courageous stand in opposing enforced racial integration as dictated by the Jewish dominated political appointees on the Supreme Court. These politicians, in order to gain Jewish gold and votes for their respective parties, have sought to equate the bombings with the anti-integration policies of Governors Faubus and Almond.

Lets analyze the facts. Have American nationalists actually resorted to force and violence in order to further their struggle against rising Jewish power in America? Which group of people has gained the most from the veritable epidemic of bombings and dynamitings which culminated in the Atlanta explosion of October 12, 1958? Lets examine all the facts in the case and then seek to reach a sound conclusion.

At least seven bombings of schools and synagogues, all of which demonstrated the handiwork of an expert dynamiter as well as perfect timing, have taken place in various parts of the South during the last year. Until the recent Atlanta bombing not a single clue had been turned up concerning the identity of the mysterious bombers. These acts of violence, highly reminiscent of the terrorist activities of the Irgun Zvai Leumi and the Stern Gang in Palestine during the British Mandate, were allegedly carried out by a mysterious, secret organization known as the "CONFEDERATE UNDERGROUND". According to the Jewish Press, the "Confederate Underground" is supposedly composed of fanatical segregationists and violent anti-Semites. Strangely enough, however, neither the local authorities nor the FBI have been able to uncover the slightest clue to the identity of this mysterious and highly elusive group of conspirators. The FBI, the Anti-Defamation League of B'nai B'rith and the local police in Southern communities report that their agents have infiltrated every segregationist and anti-Semitic organization in the areas where bombings have taken place BUT THEY ALL ADMIT THAT NO ILLEGAL ACTIVITIES OR "CONFEDERATE UNDERGROUND" HAVE BEEN DISCOVERED.

Apparently the Jewish press was perfectly content to use the dynamitings in Clinton, Nashville, Jacksonville, Miami and other Southern cities as a means of arousing hostility toward those Southern leaders who dared to speak out against the tyranny of the Supreme Court. In each case there was a brief spurt of publicity which sought mainly to rally the support of the Catholic and Protestant clergy behind the fundamentally Jewish-sponsored drive for complete racial integration throughout the American South. Clergymen were told that "racial bigots" who blew up Jewish synagogues today would certainly bomb Christian Churches tomorrow.

at #1 to 105 6112-709

Despite this, however, no concerted effort was demanded by either the Jewish press or the major Jewish organizations to apprehend the perpetrators of these deeds until the advent of the Atlanta bombing on October 12, 1958. WHY? Was it strictly coincidence that this latest dynamiting in Atlanta just happened to coincide with the most decisive period of political campaigning prior to the November elections? Was it also coincidence that the JOINT DEFENSE APPEAL, the fund-raising service for the "JEWISH defense agencies" known as the ANTI-DEFAMATION LEAGUE OF B'NAI B'RITH and the American Jewish Committee, should choose this exact time to solicit \$5,600,000 from their fellow-Jews to combat alleged "anti-Semitism"? To prove our point we quote from the "NEW YORK HERALD TRIBUNE" of October 23, 1958 an article by reporter Judith Chris

"Reports of bomb-threats and the wave of violence, bombings and "hate" literature around the country brought pledges of increased contributions to support the Joint Defense Appeal of the American Jewish Committee and the Anti-Defamation League of B'nai B'rith. At the JDA dinner at the Waldorf-Astoria last night, representatives from 19 cities promised increased allocations and three delegates from the largest communities pledged emergency funds to meet the organization's \$5,600,000 annual goal.

What about the \$200,000 worth of damage perpetrated on the synagogue erected by the Jews of Atlanta? Surely the Jews would have nothing to gain by blowing up their own house of worship. Lets study two very interesting news items concerning this matter. The first article is found on page 12 of the "NATIONAL JEWISH POST" of Oct. 17, 1958. The brief article is entitled, "BLAST PRECEDED DRIVE FOR FUNDS BY ONE DAY"

"Here are some interesting sidelights on the bombing of the Atlanta Temple...A campaign to raise \$750,000 for additional educational facilities at the Temple was to have been launched officially on Monday--THE DAY AFTER THE BOMBING. A wedding was scheduled to be held in the Temple the afternoon following the bombing. IT WAS SCHEDULED ELSEWHERE."

The second item of interest appears on page 1 of the October 31, 1958 edition of the NATIONAL JEWISH POST" under the caption, "BOMBED TEMPLE TRIES TO STOP FLOW OF GIFTS":

"THE bombed-out Reform Synagogue in Atlanta tried unsuccessfully last week to stem the flow of gifts, small and large, coming forward insistently and spontaneously. An avalanche of offers to help the temple with monetary gifts were discouraged by temple officials, WHO EXPLAINED THAT THE LOSS WAS COVERED BY INSURANCE."

In the very same issue of the "NATIONAL JEWISH POST" under the caption, "BRISCOE MEETING IN PEORIA HELD DESPITE TEMPLE BOMBING", on page 12, we find the following interesting item: "The scheduled appearance here of Robert Briscoe, Jewish former mayor of Dublin, went on without incident only a few hours following the bombing of Temple Anshel Emeth. THE MEETING WAS IN BEHALF OF ISRAEL BONDS. Rabbi Joseph Ginsburg said the blast damage was very minor, but added: "The moral and spiritual damage to our American way of life can be more expensive and far-reaching than the actual physical damage to the church".

Quite obviously the Jews were the only group to gain, both financially and politically, from the wave of dynamitings. No sane American nationalist could expect anything but the intervention of federal authorities and a veritable tidal wave of investigations and unfavorable publicity in the national press. The five chief victims of this federal inquisition in Atlanta have lost their meagre jobs as city clerks and truck drivers. At least one of these men, Chester Griffin, was kept awake and under constant questioning for FIVE days and nights while Federal and local authorities sought to force a confession from him. Lie detector tests were administered to these men but obviously proved negative SINCE LOCAL POLICE REFUSED TO DIVULGE THEIR FINDINGS. Eisenhower and the Republican Party chiefs have put pressure on the FBI demanding that a satisfactory scapegoat be found in order to appease the Jewish voters

prior to the November elections. COOPERATING IN THIS INFAMOUS SCHEME are certain notoriously pro-Jewish officials of the city of Atlanta. These political traitors have been kept in power for the last 20 years by the wealthy Jewish community of Atlanta. THE JEWS INTEND THESE OFFICIALS TO OPEN THE DOORS OF ATLANTA TO RACIAL INTEGRATION ONCE RESISTANCE HAS BEEN BROKEN DOWN IN VIRGINIA AND ARKANSAS. THEIR NAMES ARE MAYOR WILLIAM B. HARTSFIELD, POLICE CHIEF HERBERT JENKINS AND PROSECUTOR PAUL WEBB. They are part of the Jewish Fifth Column in the Deep South AND SHOULD BE RETIRED FROM PUBLIC OFFICE. THEIR TACTICS remind us of the Soviet Secret Police. We believe that once the elections are over these five Atlanta patriots will be released for lack of evidence.

In contrast to these five martyrs, none of whom has ever handled dynamite and all of whom were already under indictment for peacefully picketing the offices of Ralph McGill's pro-Jewish, "ATLANTA CONSTITUTION", what did the big Jewish organizations have to gain from these bombings? Let us carefully enumerate what they stood to gain;

1. The wave of bombings would cause national opinion to turn against the "massive resistance" of Governor Faubus of Arkansas and Governor Almond of Virginia and would bring about an open split between conservative and radical forces in the South. This move could split wide open the forces which are resisting the drive for racial integration sponsored by all Jewish organizations in the United States. Ralph McGill of the "ATLANTA CONSTITUTION", Herbert Lehman and many others are seeking to equate the dynamitings with the resistance to Supreme Court edicts by the two governors.
2. Because of the bombings pro-Jewish legislators are seeking to pass a law which would suppress all so-called "hate literature" by refusing publishers who dare to criticize the un-American policies of the Jew and his organizations their right to use the United States mail. THEY ARE SEEKING TO MAKE CRITICISM OF THE JEW OR HIS POLICIES A CRIME PUNISHABLE BY LAW. Such a law exists at present in the Soviet Union.
3. The bombings seek to cast disrepute on all individuals or groups which dare to oppose the Jewish-sponsored policy of breaking down all social, cultural, economic and sexual barriers between the races in America. Despite this the Jews are appropriating huge sums of money for the purpose of setting up segregated Jewish Schools wherein the doctrines of Jewish racial exclusiveness and fanatical Zionism are taught daily. Apparently racial integration is only good for White Gentiles. We see the results in a country like Brazil where a Jewish president, Joscélino Kubitschek, rules over a mongrelized population of half-castes. Nations like Brazil, India and the Caribbean Islands, made up of illiterate half-castes, are easily exploited by a parasitic race of merchants like the Jews.
4. The bombings have greatly increased Jewish contributions to their so-called, "defense agencies," the anti-Defamation League and the American Jewish Committee.
5. To bind together the ranks of American Jewry in the South. These Jews personally support racial integration for the Gentiles but they fear economic boycott and social ostracism by their Southern Gentile neighbors.

The attempt by Jewish leaders to undermine Governors Faubus and Almond by saddling these anti-integrationist leaders with responsibility for the Southern bombings can be seen in an article captioned, "SPREADING BIAS CITED BY LEHMAN", written by the Jewish reporter, Paul Tobenkin, for the "NEW YORK HERALD TRIBUNE":

"Former Senator Herbert Lehman said yesterday that those who advocate resistance to the law must share the moral responsibility for recent bombings and vandalism against synagogues with the actual culprits. Mr. Lehman, characterizing civil rights as "the

most critical domestic problem we have", declared that "the rights of every American hang on the outcome". He said: "The recent incidents of terror, violence and vandalism against Jewish synagogues show the true nature of some of the extremist elements opposing civil rights. Whoever the immediate culprits are in these bombings, and I trust they will be brought to justice, the moral responsibility for these acts must be shared not only by all those who preach racial hate and discrimination, but by all who advocate overt resistance, massive or otherwise, to the rule of law."

Mr. Lehman fails to point out that the "LAW OF THE LAND" as dictated by Earl Warren's Supreme Court is actually the "LAW OF THE JEW". Our great nation was founded in a bloody revolution against unjust laws in whose formulation the American people had no say. Mr. Warren is a student of Talmudic Law who graduated with honors from the Jewish Theological Seminary under the tutelage of Rabbi Louis Finkelstein. WE STRONGLY SUGGEST THAT EARL WARREN AND HIS EIGHT COMRADES MOVE THEIR SUPREME COURT TO ISRAEL WHERE THE KOSHER STENCH EMANATING FROM ITS DECISIONS WILL BE LESS NOTICEABLE

To prove that American Jewry and its organizations are the financial and intellectual backbone of the movement for racial integration we shall point out some of their recent statements and activities: (Quoted from article captioned, "Leading NATIONAL JEWISH ORGANIZATION CRITICIZES IKE FOR FAILING TO LEAD ANTI-SEGREGATION FIGHT", appearing on pg. 2 of "NATIONAL JEWISH POST" of Oct. 10, 1958):

"President Dwight D. Eisenhower was criticized this week by a leading national Jewish organization for failing to provide leadership and to employ the prestige of his office to support the Supreme Court's ruling against segregation. The National Community Relations Advisory Council (NCRAC) in a sixth annual joint program plan for Jewish Community relations challenged the President for not offering the leadership that might have encouraged many persons in the South interested in orderly compliance to unite effectively to achieve it."

The "AMERICAN EXAMINER" of October 16, 1958, pg. 6, carries further details of the NCRAC Conference as follows: "Intervention of state authority to prevent local school districts from desegregating is assailed in the statement. The civil liberties of all Americans are threatened, the statement declares, by the efforts in some Southern states to outlaw the National Association For The Advancement of Colored People (NAACP)...The statement stresses the injustices and dangers in housing and discrimination. "There is a manifestly great and urgent need," the statement says in this regard, "to bring the attitudes of the Jewish community as a whole more closely into conformity with the principles of equality to which it is committed through its agencies and even greater need for voluntary action by religious, civic, racial, ethnic and other groups to develop effective programs FOR MOVING TOWARD ACCEPTANCE OF RACIALLY INTEGRATED NEIGHBORHOODS."

Thus speaks the NCRAC which represents six major Jewish organizations and 43 Jewish community councils in 43 different American cities and towns. We find that all supposedly Negro organizations agitating for racial integration are dominated by Jewish interests. Thus the infamous NAACP is controlled by the Jew, Arthur Spingarn, the NY State Committee Against Discrimination (SCAD) is controlled by the Jew, Charles Abrams and the National Urban League is controlled by the Jew, Joseph Lewis, The former president of the Urban League was the Jew, Theodore Kheel.

Let us examine briefly how these Jewish organizations have successfully brainwashed our American youth by gaining complete control of both the clergy and the public school system. The following excerpts are taken from the REPORT OF THE 44th ANNUAL MEETING OF THE AMERICAN JEWISH COMMITTEE IN 1951: (From PAGE 61) "Our primary objective, therefore, must be a definite program of education in human relations, or what we call "intergroup education". Because we must change human attitudes toward Jews and others, and in order to do so, we must promote a better and

fuller understanding of all peoples and all groups, including Jews, and inculcate a respect for differences and a conviction that difference does not imply inferiority." (FROM PAGES 63-64) "We must also, in the coming year, implement the recommendations that came out of the White House Conference on Children and Youth...Its object is to examine the situation in America as it related to children and youth during the previous decade and to chart a course for the next 10 years...When our cooperation was invited, we proposed to the architects of the Conference program that the relation of prejudice and discrimination to the personality health of children be made a major item in the discussions...An interesting and important by-product of this is worth noting, namely, that every time the word "church" was mentioned in the Conference Report, the word "synagogue" was bracketed with it; and "Christianity" was never mentioned alone; it was always the "Judaeo-Christian" civilization."

(FROM PAGES 69-70) "We have also been able to make some decided advances in the elimination of hostile reference in the Christian textbooks and lesson books relating to the Crucifixion story and to modern Jewish life. You are unquestionably aware of the profound and deleterious influence that such references have had in the past on the impressionable minds of children. Twelve years of work with Protestant books and lesson materials have yielded major dividends. Today, 85% of the non-fundamentalist Protestant texts are free of negative references to the Jew...We have made considerable progress in providing Catholic parochial and teacher-training schools with an understanding of Jewish religious history and Jewish cultural contributions to America. In New York City we (the American Jewish Committee are helping edit an intercultural syllabus which WILL BE USED IN THE CATHOLIC PAROCHIAL SCHOOLS."

The above statements were taken verbatim from the 1951 REPORT of the American Jewish Committee to its financial contributors. Those responsible for such a diabolically conceived plan to brainwash America's children would certainly be able to appreciate the propaganda value in demolishing a few well insured Jewish temples in order to capture the sympathy of the entire American public for the cause of racial integration.

III. STATED AIMS AND
PURPOSES OF THE NRP

The September - October, 1958 issue of the "National Renaissance Bulletin" contains the following in its masthead:

"Official organ of the NRP devoted to the restoration of the American Republic, the preservation of American sovereignty and the establishment of an American regime based on the principles of racial rationalism and social justice".

IV. ACTION TAKEN TO IMPLEMENT
THE PROGRAM OF THE NRP

A. Meetings

As previously set out in another section of this report NY T-1 had advised on December 17, 1958, that a meeting of the Truth Seeker group was held at Steinway Hall, New York City, on December 12, 1958. The principal speaker was one JAMES GREGOR whose real name is BERGER,

[redacted] This source also stated that [redacted] also spoke briefly. Also MADOLE had stated that he was having difficulties with CHARLES SMITH, who runs the Truth Seeker group and that he might not continue to attend SMITH's meetings but might hold his own meetings of the NRP.

b6
b7C

NY 105-6112

NY T-1, as set out previously in this report, advised on November 3, 1958, that JAMES MADOLE held meetings of the NRP at his apartment, 10 West 90th Street, New York City, on October 23 and 30, 1958.

On November 20, 1958, NY T-3 advised that a meeting of the Racist Forum was held on November 14, 1958, at Steinway Hall, New York City, at which JAMES MADOLE of the NRP was the principal speaker. He spoke as scheduled about the Jews. He mentioned being at a meeting which was attended by three Arabs and he held conversation with the Arabs concerning the Jewish question. During the course of the speech, MADOLE spoke of the recent bombings of Jewish temples in Atlanta which he attributed to the Jews themselves for political and financial gain. He also touched briefly on the bombing in Peoria, and laughed at the crudeness of the stovepipe bomb used in that instance. Toward the end of his talk MADOLE became quite emotional when he began talking about democracy and totalitarianism. This source stated that it seems that MADOLE did not think very much of our democratic way of life.

B. Literature

NY T-1 on December 17, 1958, advised that JAMES MADOLE had no new Arab literature at present but expects to get some in a few days. He stated that MADOLE indicated that an Iraqi official had received the August, 1958 "National Renaissance Bulletin" from MADOLE, which pertained to Zionist imperialism in Western Germany, which the Iraqi wished to reprint and send to Iraq for distribution.

NY 105-6112

MADOLE also indicated that he had ordered 500 additional copies of his current bulletin, dealing with the Atlanta bombing, printed at the offices of "Common Sense". MADOLE further indicated that he had received a letter from EDWARD FIELDS, who is an officer in the National States Rights Party (NSRP), and who publishes the "Thunderbolt", NSRP paper. He stated that FIELDS had requested MADOLE to carry "Thunderbolt" material in the "National Renaissance Bulletin". This source added that MADOLE further indicated that FIELDS in a subsequent letter to MADOLE indicated that he was discontinuing his connections with the NSRP, and planned to visit New York City and wanted to talk with MADOLE about his actively affiliating with MADOLE and MADOLE's bulletin work. MADOLE also indicated that he had received a letter from LINCOLN ROCKWELL of the NSRP, who stated he had sent a box of literature to MADOLE to distribute. One of these leaflets from ROCKWELL was entitled, "Program of the World Union of Free Enterprise of National Socialists" and had swastikas in the upper corners.

NY T-1 advised on November 25, 1958, that MADOLE had ordered 1,000 copies of a cartoon concerning Negroes and whites which he has received orders for from the south. NY T-2 stated that none of these cartoons would be distributed locally and this item was used several times previously by MADOLE and CONDE MC GINLEY, Editor of "Common Sense". This informant stated that MC GINLEY would print these leaflets for \$10.00 or \$12.00 and MADOLE would sell them twenty for \$1.00. MADOLE had also received 5,000 copies of a leaflet entitled, "Who Is The Enemy" and had placed the stamp of the NRP on it.

NY 105-6112

NY T-1 advised on November 14, 1958, that JAMES MADOLE had recently received a large box of literature containing several thousand copies of pamphlets from HORACE SHERMAN MILLER, Box 5062, Parkdale Station, Waco, Texas.

NY T-1 advised on December 19, 1958, that JAMES MADOLE was currently distributing, through NRP channels, a leaflet entitled, "Will the Racial Integration Destroy North American Civilization". This leaflet bore the name National Renaissance Party, 10 West 90th Street, New York 24, New York, and contained anti-Negro information.

On November 17, 1958, a Miss THERESA C. CLARK, 2471 University Avenue, New York 68, New York, by letter, furnished pieces of literature which bore the stamp of the NRP, 10 West 90th Street, New York 24, New York. Miss CLARK stated that she had recently received the literature. One leaflet was entitled, "Who Is The Real Enemy" which deals with anti-Jewish information. Another leaflet is entitled, "Is Anti-Jewish Feeling Justified By World History", which purports to set out information proving "conclusively that the Jews more than any other racial or religious group have been reviled, hated and driven out of nearly every gentile nation, both civilized and uncivilized, both Christian and Moslem, during the period of recorded history". Another leaflet, entitled, "Christian Race Relations Must Be Natural Not Forced" by Doctor L. NELSON BELL, M.D., Associate Editor, Southern Presbyterian Journal, Asheville, North Carolina. This also contains the stamp of the NRP and contains information written by Doctor BELL in which he takes a stand which "will not please extremists on either side of this controversial matter". He states in this article that "within the scope of these rights prescribed by law every American citizen is equal. For that reason it is futile to defend any law which restricts the legal rights of any individual or group of individuals."

NY 105-6112

APPENDIX

"COMMON SENSE"

It is noted that "Common Sense" published by the Educational Association of Union, New Jersey, was characterized in a report issued on December 17, 1954, by the Committee on Un-American Activities of the United States House of Representatives as a "hate group" vehicle publishing "some of the most vitriolic hate propaganda ever to come to the attention of the Committee". According to the report, "Common Sense" depicts Communism as "Judaism", and devotes its pages almost exclusively to attacks on the Jewish and to a lesser extent, the Negro minorities in our nation. Sympathy for the former Nazi regime in Germany is also injected into this propaganda.

NY 105-6112

APPENDIX

THE NATIONAL STATES RIGHTS PARTY (NSRP)

. On November 3, 1958, a confidential source, advised that the NSRP was formed in 1958 and it is composed of past members of the Ku Klux Klan and notorious anti-Semites. At its convention at Louisville, Kentucky on August 30, 1958, this party indicated that it was a political party dedicated to segregation.

The Ku Klux Klan has been designated by the United States Attorney General pursuant to Executive Order 10450.

[redacted] orally advised SA J. WALLACE LA FRADE on [redacted] that a meeting of the National Renaissance Party was attended by the informant on the evening of [redacted]. During the meeting, MADOLE "roundly" condemned the FBI for "prosecution of the five in Atlanta". He said his group has already sent an unspecified sum of money to Atlanta for their defense. The FBI was criticized for the "pick up" of the five because allegedly the five know nothing of guns or explosives. MADOLE said these five are being "persecuted" because the FBI could not get the real ones involved. MADOLE also said that "THE" has not decided what the FBI is to definitely do and as soon as this decision is made "HOOVER" will be instructed what next to do.

An unknown elderly French woman called "MARTHA" said she is going to send money on her own to Atlanta but will not sign the letter.

There was mentioned at the meeting a new mailing list for Tennessee and Kentucky. The list was not produced and is not available to the informant. The informant will make available pamphlets concerning the Synagogue Bombings obtained at the meeting which will be furnished the Bureau.
